Typical YAC meeting

- ❖ YAC agendas reviewed the needs of the committee for the month.
- ❖ The meetings were run by the leadership council and included the following:
 - Old business that needed to be concluded, or actions needed to finalize projects.
 - New Business included action items or goals we hoped to accomplish.
 - Meetings typically ended with a group discussion on what could possibly be done in the future.

YAC members

- ❖ We started the year with a total of 26 members.
- ❖ Due to other outside commitments attendance dropped, but we averaged 13-15 members consistently for the last half of the year.
- ❖ Despite the busy schedules the committee was able to accomplish a lot throughout the year. This included tours, service projects, and our virtual Career Day.
- ❖ Many of our members were dedicated to the mission of the committee and often looked to assist in any way possible.

- ❖ **Pinellas County Jail**
- ❖ **Pinellas Safe Harbor**
- ❖ **Pinellas County Medical Examiner**
- ❖ **Pinellas County Supervisor of Elections**
