Description & Comments

(What is it, any issues found, is there a financial impact to current/next FY, does this contract vary from previous FY, etc.)

This item is for the ranking of firms and execution of agreements with six firms for Parks & Conservation Resources (PCR) professional engineering services over a term of 60 months (5 years), which begin upon execution. Each firm agreement is for a not to exceed amount of \$2,000,000.00, a total of \$12,000,000.00 for all six firms which include:

- 1) Land & Water Engineering Science
- 2) Half Associates, Inc.
- 3) Ayres Associates Inc.
- 4) Stantec Consulting Services Inc.
- 5) GAI Consultants
- 6) Pennoni Associates Inc.

These agreements will be used on an as-need basis for various projects with no obligation to spend the full contract or to spend in any given year. Obligation will occur at the time of purchase order. Funding for this agreement is available in the FY26-FY31 Capital Improvement Plan in multiple centers.

*Agreement was planned for a 2025 execution date but will now appear on a 2026 BCC Agenda. The agreement name includes "2025-2030" but the five year term will be 2026-2031, if the agreement is executed on the January 20th, 2026, BCC Agenda date.
