Description & Comments					
(What is it, any issues found, is there a financial impact to current/next FY, does this contract vary from previous FY, etc.)					
<p>This is for the approval of the amendment to receive funding for Next Generation 9-1-1 Core Services. The state is requiring an amendment to the existing agreement for administrative changes included in Agreement No: DMS-P1-24-07-07. This agreement is between Florida Department of Management Services and Pinellas County. These changes are administrative and do not impact the original funding amount or scope of project.</p> <p>No Fiscal Impact related to this amendment. The original grant agreement approved under 24-1573A. The original funding request of \$1,118,167.03 was consistent but was not included in the FY25 Budget. The \$1,118,167.03 shall be provided on a cost reimbursement basis by the State of Florida E911 Board. No matching funds are associated with this funding. This funding was not anticipated during the development of the FY25 Budget. Therefore, if approved, a budget amendment will be required to appropriate these funds.</p>
