

July 23, 2021

Agreement between:

Palm Harbor Historical Society (PHHS) dba Palm Harbor Museum (PHM)  
2043 Curlew Road  
Palm Harbor, Florida 34683

And,

Dr. Craig Huegel  
Hawthorne Hill Native Wildflowers  
1648 Paragon Place  
Holiday, Florida 34690

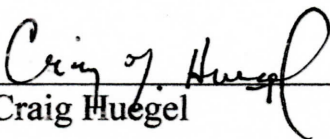

PHHS agrees to \$1,000. one-time fee, for Living Landscape native plant consultation and Site Design plan prepared by Dr. Craig Huegel of the Urban Wildlife Program at University of Florida.

Dr. Huegel's involvement includes guidance regarding site preparation, plant placement, and care.

Palm Harbor Museum landscape team members meet Dr.Huegel in person during site visits and as necessary via email or phone consultation.

The Palm Harbor Museum Living Landscape project spans September 2021-September 2022.

Payment from PHHS to Dr. Huegel will be made promptly upon approval of FY 2021 MTSU special project funding and receipt, by Palm Harbor Historical Society, of the grant award.
