Brief Description of Organization and It's Mission (approx. 600 characters) (Required)	We are a division of the Palm Harbor Community Services Agency, Inc that provides youth sports and recreational activities for the residents of the East Lake Community. Our mission is to provide safe, affordable programming for the health and well being of our citizens.
Project Name (Required)	Aluminum Bleacher replacement
Requested Program Budget (Required)	\$20,000
Community Need: Describe the problem or need to be addressed by this project. (Required)	Our current football bleachers are aging and in constant need of repair. This project will address a safer and better recreational experience for our patrons to enjoy.
Project Summary: Describe how the project will be fully implemented and how it will address the need or gap in the community. Identify and describe other funding sources, if any, for this project/program. (Required)	The bleachers will replace the old sets, four in total. The new bleachers are safer and have back and side chain link protection. East Lake Recreation will utilize additional funds for assembly and additional costs over the requested \$20,000.
Program Outcomes: Describe the time-line by which the project will be implemented including short-term and long-term results. (Required)	There is a 3-5 week production time from the time the order is placed. If the project is funded we will place the order immediately. Once the bleachers are shipped we estimate 2-4 weeks to assemble.
Describe how your project aligns with the County's Strategic Plan: (Required)	This project will provide a newer, safer, more comfortable, and esthetically pleasing improvement to our complex and to the public that uses it.
