

Proposed Modification to Fort De Soto Swim Zones

Paul Cozzie, Director

Parks and Conservation Resources

Introduction

Fort De Soto Swim Zones

- **Established by Ordinance**
 - **Sec. 103-106**
 - **Sec. 103-107**
- **Authority provided under F.S. § 327.46(1)(b)3.a.**
- **A combination of Vessel Exclusion and Combustion Motor Exclusion Zones**

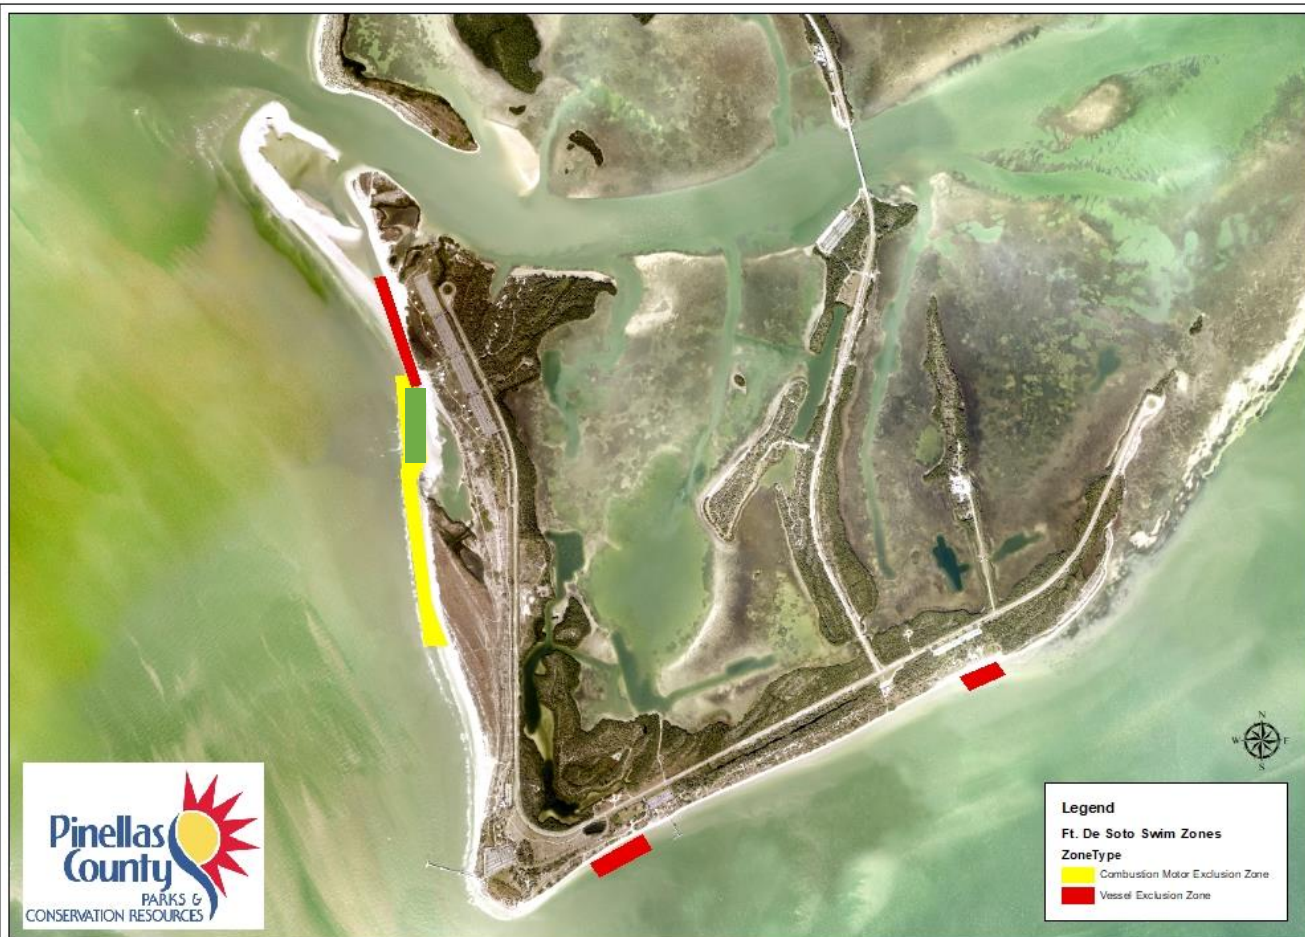

Current Swim Zones

- 2008 ordinance defining zones
- Adopted to minimize safety concerns between beach visitors and vessels

Ordinance 08-66

- North Beach East
- North Beach West
- East Beach
- Dog Beach

Environmental Challenges

Ebb Shoal (Outback Key)

- Formed along North Beach extending south behind North Beach Swim Center
- Formation has modified the shoreline and created a lagoon
- Beaches and water access continue to shift due to environmental factors

Shared Use Concerns

- **Formation of the Ebb Shoal has created an attractive nuisance**
- **Swimmers and watercraft using the same non-designated areas**
- **Windsurfing and Ultralight destination**

Video

Proposed Modifications

- Repeal North Beach East
- Establish a New Vessel Exclusion Zone

Proposed Aquatic Regulatory Zones in Fort De Soto County Park

Pinellas County, Florida
