Description & Comments

(What is it, any issues found, is there a financial impact to current/next FY, does this contract vary from previous FY, etc.)

This item is to issue a Certificate of Public Convenience and Necessity (COPCN) to Johns Hopkins All Children’s Hospital, Med-Trans Florida, to provide helicopter ambulance service in Pinellas County. The service provider will operate under the name “LifeLine” and be based out of John Hopkins All Childrens Hospital in St. Petersburg. The certificate issuance date will be July 1, 2021 and expire on December 31, 2022. Per Pinellas County Code, companies that provide these services are required to obtain a certificate annually to operate within Pinellas County.

The application, renewal, and inspection process to receive the COPCN does not carry a fee and will not have a fiscal impact. The department is currently performing research and analysis around implementing a fee for this service.
