Dear Commissioner,

My name is John DiNardi, and I am a resident of Seminole and a co-owner of Solar Sanitation, Inc., located in Clearwater. Solar Sanitation has serviced Pinellas County for 42 years, and we are proud to call Pinellas County home.

I'm contacting you to respectfully ask for your consideration to be appointed to the Pinellas County Solid Waste Technical Management Committee (TMC) for the 2022-2024 term. I have been in the solid waste industry for over 30 years and have extensive experience with the issues the TMC faces at each board meeting. Over the last two years, I have been attending the meetings and have built positive relationships with several board members. I believe I can effectively represent the private haulers on the TMC and help Pinellas county achieve their safety and zero waste goals.

If you have any questions, please do not hesitate to contact me on my cell phone at 917-335-1531.

Thank you for your time and consideration.

Respectfully,

John DiNardi
