Subject: COPS Grant

Pinellas County Schools is very interested in applying for funds under the FY 2018 COPS Office STOP School Violence: School Violence Prevention Program (SVPP). Upon finding out the school district was not an eligible applicant, we reached out to the Pinellas County Sheriff's Office and asked that they submit an application on our behalf. Although willing to submit, the Sheriff's Office recently discovered they are not eligible and were informed by the COPS Office the application would need to be submitted by Pinellas County. We are requesting Pinellas County submit this application with Pinellas County Schools as a sub-recipient.

The proceeds of the grant will be used to purchase technology to improve the communication and, most notably, the speed of communication between a school and local law enforcement agencies in the event of an active assailant situation.

Clint Herbic
Associate Superintendent
