Federal Fiscal Year 24 JAG-C Funding - Project Summary

Agency: Eleos

Program: Restraint Chairs

Grant Term: October 1, 2025 – September 30, 2026

FDLE Priority Area: Behavioral Health Programs

Target Population and Eligibility Criteria:

AGENCY serves as a core component of the behavioral health crisis system in the county. As a Public Receiving Facility, they operate and maintain forty-five (45) publicly funded, adult and child crisis stabilization beds 24-hours, 7 days per week to screen, assess, admit, and transfer individuals. The Crisis Stabilization Unit (CSU) serves a diverse population, including individuals experiencing acute psychiatric episodes, co-occurring disorders, substance-induced psychosis, and severe emotional dysregulation. In these situations, individuals may exhibit dangerous behaviors posing an immediate danger to themselves or others, and physical interventions may become necessary to protect them.

Scope of Services:

AGENCY shall purchase restraint chairs for adults and children. The restraint chairs will help ensure successful transfer of custody from law enforcement to the CSU so that a safer, more humane alternative to traditional methods is established. By keeping patients upright, therapeutic interaction is facilitated, oral medication is easier to administer, and staff can properly monitor the patient for potential medical issues. Studies show these chairs result in shorter restraint times and increased patient willingness to take oral medication. The chair's design also enhances patient dignity and comfort during stressful events.

Program Goals:

- 40% of reduction in stress, strains, and injuries to staff using the restraint chairs.
- 20% reduction in restraint time for program participants.
