Topic	Order Extending State of Local Emergency
BCC Agenda Date	9-10-2020
Your Stand on the Issue	Oppose
Comments	The resolution is based on references to Governor DeSantis emergency orders issued for the entire State to allow for a wide range of responses by each county. The officials in Pinellas County have been derelict in their duty to assess the county and reopening phases in accordance with the metrics defined by the Re-Open Florida Task Force. Pinellas has meet the criteria to end this state of emergency over four weeks and it is your responsibility to review the data easily accessed on Florida's Dashboard and end this false state of emergency.

Topic	Oppose continuation of state of emergency
BCC Agenda Date	9-10-2020
Your Stand on the Issue	Oppose
Comments	I Oppose the continuation of the councils continued use of a declared State of Emergency. The councils abuse of this power is in direct contradiction to the principles of freedom. Also, the current situation does not meet the definition of a State of Emergency as evidenced by adjoining counties and the State of Florida.

The State of Emergency must be revoked or revised. We see no transparency of spending from the blank check given to the County Administrator week after week. The mask mandate is overreach and needs to be revoked with an immediate effective date. This body made this decision fecklessly and with cherry picked "expertise". This decision was made solely with progressive optics in mind. This body of elected officials approved this mandate with the reliance upon hard working citizens to either enforce it, or face potential consequences with their employers. This was done during a time of economic crisis for many working families. We've had enough. We've had enough of the mask and we've had enough of those of you that consider this county as your personal kingdom. Citizens are organizing more and more by the day. Election by election many of you will be shown the door. We aren't going away.

Comments	End the state of emergency and attached mask mandate. Your job as elected officials is NOT to “protect” the citizens of Pinellas county from a virus. Your job is to protect our FREEDOM to go about our lives and conduct our business. Keep your socialism OUT of Pinellas county.
