WE. BY SIGNING THIS PETITION OPPOSE THE PROPOSED ZONING CHANGE FOR THE FOLLOWING OBVIOUS REASONS.

- 1) Chemical storage adjacent to our neighborhood will: a) Decrease the value of our property. b) Subject the resident and our property to environmental hazards. c) Effect our wildlife habitat and our well being if chemical materials are released in any manner.
- 2)The quite solitude of our neighborhood will be effected by the increased noise level from trucks etc.
- 3) "Government related uses" is not totally defined and may include uses that could affect the value of our neighborhood in a negative way. END.
