Description & Comments

(What is it, any issues found, is there a financial impact to current/next FY, does this contract vary from previous FY, etc.)

Termination of agreements with American Empire Builders, Inc. for the Westwinds (000700A) and Crosswinds (000702A) Bridge Replacements and the Oakwood (001035A) Bridge Replacement projects

Funding for these projects was budgeted in the Capital Improvement Program, under projects Westwinds (000700A) and Crosswinds (000702A) Bridge Replacements and the Oakwood (001035A) Bridge Replacement projects, in FY22-FY23, funded by the Penny for Pinellas.

The vendor will be suspended in accordance with county code 2-161(b)(1)(a) for breach of contract upon Board approval of this item. County staff will pursue additional legal remedy under the law, and potential debarment of the vendor.

NOTE: Westwinds and Crosswinds were originally bid together. Westwinds and Crosswinds are substantially complete. The department will complete Westwinds and Crosswinds with a work order contract. Oakwood will need to be rebid.

Original contract amount-Westwinds(000700A)/Crosswinds(000702A):	\$4,435,138.50
Original contract amount-Oakwood:	\$3,333,215.61

Please see attached budget detail report. Upon Board approval, any unspent budget from FY23 will be carryforward to FY24.
