Topic Proposed Pet Store County Ordinance
BCC Agenda Date 6-7-2022
Your Stand on the Issue Oppose

Comments I am a licensed hobby breeder in Pinellas County. I am very concerned that there are several places in this proposal that states: “the Board finds that it is in the best interest of the County, and the life, health, safety, and welfare of residents, and animals, to avoid the expansion of pet sale establishments in the county.” Yet pet sale establishments are not defined in the proposal. Is that going to apply to hobby breeders as well? It is important to me to see this properly defined.
