Coastal High Hazard Area

Approximately 0.22 acres of the northern portion of the amendment falls in the CHHA

This area follows the boundaries of Bear Creek Preserve, which flows from Boca Ciega Bay inland through the subject property and terminates east of Bear Creek Park

However, this portion of the amendment area is proposed to the Residential Low Medium category, which reduces the density from 12.5 units per acre under the current Public/Semi-Public category, to 10 units per acre.

Analysis of the Relevant Countywide Considerations

Conclusion:

- The proposed amendment is appropriate for the intended purpose, and is consistent with the locational characteristics for the Residential Medium and Residential Low Medium categories.
- On balance, it can be concluded that the proposed amendment is consistent with the Relevant Countywide Considerations contained in Section 6.5.3.1 of the Countywide Rules.

Analysis of the Relevant Countywide Considerations

Relevant Countywide Considerations

1. Consistency with the Countywide Rules: Consistent with purpose and locational characteristics.
2. Adopted Roadway Level of Service (LOS) Standard: The amendment area is located near a roadway segment where the existing Level of Service is operating at a LOS “D” or better, therefore those policies are not applicable.
3. Location on a Scenic/Noncommercial Corridor (SNCC): The amendment area is not located within a SNCC; therefore, those policies are not applicable.
4. Coastal High Hazard Areas (CHHA): Approximately 0.22 acres within the northern portion of the amendment area is located on a Coastal High Hazard Area. However, this portion of the amendment area is proposed to be amended to Residential Low Medium, which is consistent with the existing properties adjacent to the amendment area also on the Coastal High Hazard Area. As such, there will be no increase in residential density within the CHHA, reducing impacts of the amendment.
5. Activity Center and Multimodal Corridor Plan Categories: Does not involve AC or MMC.
6. Adjacent to or Impacting an Adjoining Jurisdiction or Public Educational Facility: The proposed amendment is not adjacent a public educational facility; therefore, those policies are not applicable. The proposed amendment is adjacent to Unincorporated Pinellas County. Pinellas County staff reviewed the application and found no issues with the amendment. The proposed amendment is also adjacent to the City of Gulfport. City staff were contacted and found no issues with the amendment.
7. Reservation of Industrial Land: Does not involve the conversion of Employment, Industrial, or Target Employment Center-designated land to another category.

Public Comments

- There were a number of public comments received with regards to case CW 20-16. City staff received public comments via email, through which 54 citizens opposed and 17 citizens supported the proposed amendment.
- City staff also received public comments via template postcards, through which 277 citizens opposed the proposed amendment
