The recipient and its subrecipients must take appropriate steps to ensure effective communication with persons with disabilities including, but not limited to, adopting procedures that will make available to interested persons information concerning the location of assistance, services, and facilities that are accessible to persons with disabilities. Consistent with Title VI and Executive Order 13166, recipients and subrecipients are also required to take reasonable steps to ensure meaningful access to programs and activities for limited English proficiency (LEP) persons.
- (c) **Uniform requirements.** The requirements of [2 CFR part 200](#) apply to the recipient and subrecipients, and:
  - (1) Program income may be used as matching contributions, subject to the requirements in [§ 576.201](#);
  - (2) The disposition of real property for which ESG funds are used for major rehabilitation, conversion, or other renovation under [§ 576.102](#) is governed by the minimum period of use requirements under [§ 576.102\(c\)](#).
- (d) **Environmental review responsibilities.**
  - (1) Activities under this part are subject to environmental review by HUD under [24 CFR part 50](#). The recipient shall supply all available, relevant information necessary for HUD to perform for each property any environmental review required by [24 CFR part 50](#). The recipient also shall carry out mitigating measures required by HUD or select alternate eligible property. HUD may eliminate from consideration any application that would require an Environmental Impact Statement (EIS).
  - (2) The recipient or subrecipient, or any contractor of the recipient or subrecipient, may not acquire, rehabilitate, convert, lease, repair, dispose of, demolish, or construct property for a project under this part, or commit or expend HUD or local funds for eligible activities under this part, until HUD has performed an environmental review under [24 CFR part 50](#) and the recipient has received HUD approval of the property.
- (e) **Davis-Bacon Act.** The provisions of the Davis-Bacon Act ([40 U.S.C. 276a](#) to 276a-5) do not apply to the ESG program.
- (f) **Procurement of Recovered Materials.** The recipient and its contractors must comply with Section 6002 of the Solid Waste Disposal Act, as amended by the Resource Conservation and Recovery Act. The requirements of Section 6002 include procuring only items designated in guidelines of the Environmental Protection Agency (EPA) at [40 CFR part 247](#) that contain the highest percentage of recovered materials practicable, consistent with maintaining a satisfactory level of competition, where the purchase price of the item exceeds \$10,000 or the value of the quantity acquired by the preceding fiscal year exceeded \$10,000; procuring solid waste management services in a manner that maximizes energy and resource recovery; and establishing an affirmative procurement program for procurement of recovered materials identified in the EPA guidelines.
