OMB has no objection to the department submitting a grant application to the Florida Department of Law Enforcement (FDLE) on behalf of the Substance Abuse Advisory Board (SAAB) to obtain funding for community projects that improve the criminal justice system and reduce recidivism. The SAAB will submit their selected projects to the Board of County Commissioners prior to the completion of the FDLE application.

Requested funding is \$276,412 from the FY19-20 Edward Byrne Memorial Justice Assistance Grant Program for a 1 year period. A match is not required.

The Department Director can sign off on this application after the Board of County Commissioners approve the projects selected by the SAAB. Please include this email when you send a completed submittal through Granicus to be placed on the delegated authority log.

If you have any questions, please do not hesitate to contact me.

Thank you.
