Qualification Requirements:

Except for the initial appointment, Council members shall serve at the pleasure of their appointing authority for a term of two years from the date of appointment. The initial term shall be two years for the seven members appointed by each of the Board members, and three years for the appointments made by the appointing authorities outlined in Sec. 70-403(a)(1-6).

Members may hold successive terms upon reappointment. Each member, regardless of the manner in which the member was appointed, may be removed by the Board without cause. Any vacancy in the membership of the Council shall be filled for the unexpired portion of the term, in the same manner as an appointment for a full term.
