Fiscal Year(s)	FY26		

Description & Comments

(What is it, any issues found, is there a financial impact to current/next FY, does this contract vary from previous FY, etc.)

This grant will be receipted to the New Passenger Terminal Improvements Project 003343A, included in the Capital Improvement Plan (CIP), funded by the Airport Revenue and Operating Fund, Federal Aviation Administration (FAA) federal grant funds, Florida Department of Transportation (FDOT) state grant funds, and future anticipated grants. Matching funds are budgeted in the FY25-FY30 CIP, funded by the Airport Revenue and Operating Fund, in the amount of \$31,595,000.00.

This grant funding is not budgeted in the FY25 Amended Budget. However, the grant funds are included as future anticipated grant funds in the FY25-FY30 CIP. The FY26-FY31 Proposed CIP will be adjusted to decrease future anticipated grants and increase FAA federal grant funds for FY26.
