Background

I am an accomplished professional with 35 years of experience in the field of Fire-EMS in Pinellas County, FL. I started as a volunteer firefighter in 1989 and since earned many certifications & degrees to further my career. I am a Register Nurse and I have also taught for many years at St. Petersburg College in Paramedic Program.

Leadership

I am recognized as a proven leader and a confident inspiring person. I am an exceptional trainer and mentor with the skills and passion to motivate peak individual performance from our department clinicians. I lead with integrity and compassion. In 2022 I earned a graduate degree through Michigan State University's Management, Strategy and Leadership (MSL) graduate program.
