Date/Time/Comments: Contract is to accept 1M budget appropriation from the State for the construction of an addition at East Lake Library. This is to accept funds applied for in 16-1331A. See below.

NOTES:
Prior Granicus item 16-1331A did not require insurance – it is for a grant application only. However, when this work is awarded to the JOC contractor, we will need to review the specifications and set the insurance requirements. The Risk Review form that would set the limits for this project based on what we know from this Granicus item has been emailed to REM and Purchasing. Once the specs are issued, we will need to review to confirm they will stay as we first analyzed
