Dear Governor Scott:

Pursuant to subsection 373.536(6)(a)(4), Florida Statutes, each water management district is required to furnish a five-year water resource development work program within 30 days after the adoption of the final budget. The Southwest Florida Water Management District (District) adopted its fiscal year 2016-2017 budget and approved its proposed 2017 Five-Year Water Resource Development Work Program at its Governing Board meeting held on September 27, 2016.

After receiving comments from the Florida Department of Environmental Protection (DEP), the District will respond to the evaluation within 45 days. Any revisions prompted by DEP's evaluation will be incorporated into the final report that will be included as part of the District's Consolidated Annual Report. The Consolidated Annual Report is due no later than March 1, 2017, pursuant to subsection 373.036(7), Florida Statutes.

Sincerely,

Brian J. Armstrong, P.G.
