Photos indicating need to reduce height of oleander hedges to provide better visibility of incoming traffic. Reduction of these shrubs will cause them to look a bit rough in the beginning. It is the middle palm tree (see red dot pix) that I feel is the main culprit. Also, if we reduce these we should also do the same on the exit side for purpose of keeping uniformity. Please have a committee approve of this prior to work being performed. There will be no costs involved to perform this task. I have a real concern that some residents will have to say the least shock if this is done without approval. Thanks

The above price is effective for 30 days from the date of this proposal.

1. This transaction is subject to the terms and conditions quoted below, notwithstanding any conflicting provisions submitted by BUYER.
2. If CUSTOMER requires **ASI** to enroll in any special third-party compliance programs invoicing or payment plans that charge **ASI**, those charges will be invoiced back to CUSTOMER.
3. This Agreement shall have as its effective date the first day of the month in which services are first rendered to the CUSTOMER. The contract price has been equally spread over a 12-month payment period and does not reflect the actual fluctuating seasonal costs of services.
4. CUSTOMER agrees that the services to be provided are for the benefit of CUSTOMER regardless of whether the CUSTOMER has direct legal ownership of the water areas specified. In the event that CUSTOMER does not directly own the areas where services are to be provided, CUSTOMER warrants and represents that he has control of these areas to the extent that he may authorize the specified services and agrees to hold **ASI** harmless for the consequences of such services not arising out of **ASI** sole negligence.
5. Neither party shall be responsible in damages, penalties or otherwise for any failure or delay in the performance of any of its obligations hereunder caused by fire, floods, strikes, riots, war, acts of God, accidents, material unavailability, governmental order and/or regulations.

6. ASI, at its expense, shall maintain the following insurance coverage: Workman's Compensation (statutory limits), General Liability, Property Damage, Products and Completed Operations Liability, and Automobile Liability.
7. If at any time during the term of this Agreement, CUSTOMER feels ASI is not performing in a satisfactory manner, or in accordance with the terms of this Agreement, CUSTOMER shall inform ASI, by certified mail, return-receipt requested, stating with particularity, the reasons for CUSTOMER'S dissatisfaction. ASI shall investigate and attempt to cure the defect. If, after 30 days from the giving of the original notice, CUSTOMER continues to feel ASI performance is unsatisfactory, CUSTOMER may terminate this Agreement by giving notice ("Second Notice") to ASI and paying all monies owing to the effective date of termination. In this event, the effective date of termination shall be the last day of the month in which said second notice is received by ASI.
8. ASI, agrees to hold CUSTOMER harmless from any loss, damage or claims arising out of the sole negligence of Aquatic Systems, Inc.; however, ASI, shall in no event be liable to CUSTOMER, or others, for indirect, special or consequential damages resulting from any cause whatsoever.
9. Collection terms are net 30 days from invoice date. In consideration of ASI'S providing services and/or products, the CUSTOMER agrees to pay its invoice/statement within 30 days of the invoice/statement date. All amounts remaining due and owing 30 days after billing by SELLER shall bear interest at the rate of 1.5% per month until paid in full. The CUSTOMER shall pay all costs of collection, including liens and reasonable attorney's fees. ASI may cancel this Agreement, if CUSTOMER is delinquent more than sixty (60) days on their account. *Checks should be payable to Aquatic Systems, Inc.*
10. If at any time during the term of this Agreement the government imposes any additional related permit requirements, water testing and/or fees, this Agreement may be renegotiated to include these changes and the cost of the additional services and/or fees. If a renegotiated contract can not be agreed upon ASI reserves the right to cancel this Agreement.
11. **Automatic Extension.** Upon the anniversary date, this Agreement shall automatically be extended for successive twelve month periods, unless notice of non-renewal has been received by ASI, in writing, at least thirty (30) days prior to the anniversary date. The anniversary date shall be the first day of the month in which services were first rendered under this Agreement. Prices specified are firm throughout the original term of the contract; but thereafter, ASI may, with thirty (30) days' pre-notification, change pricing effective upon the next anniversary date. If you do not agree with a proposed price change, you must notify us in writing within twenty-one (21) days after receipt of our price change notice. ASI shall then have the option of terminating this Agreement without penalty to you.
12. It is the CUSTOMER'S responsibility to inform ASI of any and all work areas that are required mitigation sites in which desirable plants have been or are to be installed. CUSTOMER agrees to provide ASI with copies of mitigation permits, site plans, plant species, etc. relating to contracted work areas. ASI assumes no responsibility for damage to desirable plants where CUSTOMER has failed to disclose such information to ASI.
13. Under "shoreline grass control program," ASI will treat border grasses and brush. Certain plants, such as grasses and cattails, leave visible structure which may take several seasons to decompose. CUSTOMER is responsible for removing such structure if desired.
14. Water use restrictions after treatment are not often required. When restrictions are required, ASI will post signs and notify CUSTOMER. It is the CUSTOMER'S responsibility to maintain the posted signs throughout the required period. ASI does not assume any liability for failure by any party to be notified of, or to observe, the above regulations.
15. *Carp Containment Barrier(s):* ASI is not responsible under any circumstances for flooding or water damage from fouled water level control structures resulting from ASI installing Carp Containment Barriers on the structures.
16. Water quality testing requested by the CUSTOMER will be invoiced at an additional charge.
17. If this Agreement is signed by owner's agent, a change in agent will not void the terms of this Agreement.

18. This Agreement constitutes the entire Agreement of the parties hereto and no oral or written alterations or modifications of the terms contained herein shall be valid unless made in writing and accepted by an authorized representative of both ASI and the CUSTOMER.
19. In the event of any dispute arising hereunder, the prevailing party shall be entitled to an award of reasonable attorney's fees and court costs against the non-prevailing party including appellate level.
20. The sole and exclusive jurisdiction and venue for the determination of any disputes arising hereunder between the parties hereto shall be the 17th Judicial Circuit in and for Broward County, Florida and the undersigned agrees that said court shall have jurisdiction over the undersigned for determination of any disputes between the parties to this Agreement.
