Good Morning, Deidre.....

Is it too late to have the Ordinance text on Ad 403373 indented under the "A. 1." Header?
This is the usual way these are shown on the ads of this type.

Thanks

Good Afternoon, Deidre.....

The authorizing departments are in review and they have been asked to have any changes or corrections submitted as soon as possible.

Just a note relative to Ad **403373**: The text of the Ordinance should be indented under the "A.1." Header. (Should have been on previous correction request.)

If there are no further corrections, we will leave this as is.

The other ad – **404052** – was to be corrected to add a second hearing date – but no approval received on that yet.

Will update you at 2:30 PM if not sooner.

Thank you, as always, for your assistance on these.

James- I was made aware yesterday that pursuant to statute, we will need to have this ordinance heard at the 1/10/17 public hearing at 9:30 am, and again at the 1/24/16 public hearing at 6:00pm.

I don't know what typical procedure is, but it seems it may be a good idea to list both dates in the first advertisement so that someone reading it could decide which they would prefer to attend.

Please let me know if you agree, if we need to amend the current advertisement, and what we need to do to specifically advertise for the 1/24 meeting.

Subject: Authority to Advertise

Good morning, James-

I just entered a time-sensitive item in to Legistar as 16-2142A. This is an Authority to Advertise for a Public Hearing on an Ordinance. I attached the draft notice of public hearing and a copy of the ordinance. Could you please let me know if there is anything else I should do or add to facilitate this process? County Administration is looking for this to make the 12/13 Agenda. I do not yet have the anticipated date for the public hearing itself.

Thank you in advance for your assistance,

Abigail Stanton, J.D., C.P.C.M.
