Your Stand on the Issue Oppose

Comments
It's not the role of local government to impose orders like this on citizens. Now, you've gotten Pinellas County sued and you are directly costing ME money to defend your unconstitutional order. Recind the mask ordinance. You don't have the right or authority to do this, and now you're costing us all money. Simply make your mask ordinance optional so the lawsuit can be dropped against the county. If you refuse to correct your error, at a minimum I beg you for the sake of your constituents to drop your smug attitudes, platitute ideological speachmaking, and gradeschool giggling during your meetings while you are spending our money, drawing your fat salaries, and imposing your ideological beliefs on your subjects whom the majority disagrees with you. May the lawsuit correct your overreach. We do NOT stand with you.
