Andrew W. Pupke
Director, Pinellas County Real Estate Management Department
Pinellas County Government
509 East Avenue South
Clearwater, FL 33756

Dear Mr. Pupke:

This letter is to confirm that R'Club Child Care, Inc. is acknowledging the proposed agreement with the County for the revised scope and approval to the form of the agreement as it was recently presented to me. We are so very appreciative of the support of the Pinellas County Board of County Commissioners and thank them for their commitment to early childhood education in our community and especially in the Midtown area of south St. Petersburg.

The \$150,000 in BP funds not only help make this much needed renovation and expansion of the Happy Workers Learning Center possible, but have helped us attract another \$350,000 from the State of Florida and over \$200,000 in private contributions. We are working on a plan for some \$800,000 in renovations and refurbishing, etc.

Again, please accept our most sincere appreciation for the support and for the flexibility in revising the scope of the County's funding for us.

Sincerely,

A handwritten signature in black ink, appearing to read "Maria L. Scruggs", with a long horizontal flourish extending to the right.

Maria L. Scruggs, Chairwoman
Happy Worker's Learning Center
