**Subject** East Lake Road and Trinity Boulevard

**Message**  
East Lake Road and Trinity Boulevard are bumper to bumper every day morning and night. What is the plan to address this? It is by far the worst area in the County every day. Look at google maps and most times it is the only "red" traffic backups in the entire County. Please address at the upcoming Transportation Planning meeting. I should not have to give my personal information to bring a concern to my elected officials. I am a citizen and taxpayer and that should be enough information to provide feedback. Thank you.
