**Date/Time/Comments:** 04/06/2018 Approval of the road transfer interlocal agreement with the City of Belleair Bluffs for the transfer of the un-named alley south of Block B from Harbor View Lane to Indian Rocks Road. Reviewed prior similar contract 18-198A (attached). Agreement is PE to PE and has 768.28 language. There are no insurance requirements.

**NOTES:** The Department of Public Works has been partnering with local municipalities to better define right-of-way maintenance responsibility in areas where jurisdictional boundaries are shared. The attached roadway agreement serves to transfer jurisdictional responsibility for the designated public road segment that is within, or partially within, the City municipal limits. Both the County and City agree that it is in the best interest of the parties that responsibility associated with the operation, maintenance, planning, design, and construction of the identified road segment, along with future improvements, thereto, be transferred to the City.

The City accepts all legal rights of the roadway segment that is within, and appurtenant to, the rights-of-way being transferred. The City agrees to allow the County, through a permanent permit, to utilize rights-of-way associated with the transferred roadway segment for County owned utilities.
