INSTRUCTIONS AND INFORMATION

IMPORTANT: Failure to obtain a license by the due date or to report a transfer of ownership or loss of a pet may result in issuance of a court citation.

RABIES VACCINATION AND LICENSE-

Take your pet to your veterinarian or Pinellas County Animal Services to obtain a rabies vaccination and license.

LEGAL RESPONSIBILITY - PINELLAS COUNTY CODE CHAPTER 14

RABIES VACCINATION - A current rabies vaccination administered by a licensed veterinarian is required for each dog, cat and ferret over the age of four (4) months. Pinellas County recognizes a one or three year rabies vaccination.

CAT/DOG LICENSE - Licenses expire on expiration date of rabies vaccination. A license shall be renewed on or before the date of expiration. All dogs and cats are required to wear a tag, except as otherwise provided under Section 14-61 of the Code

AT LARGE - Dogs and cats, regardless of age, must be under restraint when outside the owner's home.

PENALTIES - Failure to comply with any portion of the legal responsibilities subjects the owner, harborer or keeper to legal penalties imposed by the courts. In addition, cats/dogs at large will be impounded and owners charged substantial fees when pets are reclaimed.

Available at Pinellas County Animal Services only: Have your animal spayed or neutered before current license expires and that next license will be FREE.

Contact your local veterinarian for sterilization of your pets.
