
ANTHONY TEDESCO

PROFILE

Accomplished professional with 27 years of experience in the fire service, all of which were in Pinellas County. Trustworthy, ethical and goal-oriented are just a few of my traits. A hard-worker, extremely reliable and very dependable who strives for quality. Recognized as a proven leader and a confident inspiring person. An exceptional trainer and mentor with the skills and passion to motivate peak individual performance from our system EMT's and paramedics. Ambitious, proactive and excited to elevate Pinellas County EMS system to new levels, while still focusing on the very basic essentials of providing quality patient care to each and every Pinellas County citizen and visitor.

EXPERIENCE

CITY OF CLEAR WATER, CLEAR WATER, FL 2001-CURRENT

Currently hold the position of Interim EMS Chief. This job is an upper-level management position responsible for the overall EMS delivery of my department. My duties as Interim EMS Chief include but are not limited to: leading the division of EMS, decision-making, training course development, teaching, quality assurance, coordination of special events, new program implementation, and quality improvement.

ST. PETERSBURG COLLEGE, PINELLAS PARK, FL, 2000-2015

Taught for the continuing medical education department, traveling around the county teaching various monthly topics. Currently the only person to ever be awarded the Pinellas County "Teacher of the Year" award in 2004. Also, taught much of the curriculum within the paramedic program up to and including re-developing the General Pharmacology for EMS course.

CITY OF OLDSMAR, OLDSMAR, FL, 1995-2001

Began volunteering in October of 1989 and was hired on in 1995. Responsibilities included: paramedic, driver operator, and acting lieutenant. Participated in training, pre-plans and safety surveys. Organized community events.
