RELEVANT EXPERIENCE

Florida Department of Health, St. Petersburg, FL, January 2016 – present

Public Health Preparedness Planner/Manager

- Responsible for the oversight of the Florida Department of Health in Pinellas County's Preparedness Program.
- Responsible for Special Needs Shelter operations including planning, training, staffing and inventory.
- Responsible for maintaining the Cities Readiness Initiative in Pinellas County. This includes preparing annually for the CDC's assessment, maintaining grant requirements, staff training, inventory maintenance, developing alternate dispensing strategies, and recruitment of closed POD partnerships.
- Coordinates the public health preparedness planning efforts and response procedures for the county in matters dealing with the earliest possible detection and response to all hazard threats, including natural disasters and those involving all reportable and non-reportable diseases, affecting public health.
- Ensures the maintenance of Department of Health county level plans that meet Regional and State requirements.
- Identifies shortfalls and gaps in equipment, personnel and response capabilities for the Department of Health's Emergency Operations Plans.
- Oversight of the Pinellas County Medical Reserve Corps (MRC).
- Manages the budget for the Preparedness Program.

The American Red Cross, Clearwater, FL, October 2013 – present

Intern/Volunteer

- Deployed to 2015 Pinellas/Pasco Floods on the Disaster Assessment Team.
- Planned events for the Home Fire Campaign including running two events with 100+ volunteers.
- Built the local Disaster Assessment program capacity through Vulnerable Populations Assessment, database update, and floodplain mapping.
- Participated in the Leadership Team, mentored/trained new recruits, and organized volunteer database.

Millennium Management Group, Tampa, FL, July 2003 – April 2011

Event Planning Manager 2009-2011

- Managed over 50 staff members during large scale corporate events.
- Planned hundreds of events from initial coordination with clients through to event execution.
- Increased special event revenue significantly through development of innovative marketing strategies.
- Developed management skills by maintaining budgets, conducting briefings and directing staff.
