No work shall commence at any project site unless and until the required Certificate(s) of Insurance are received and approved by the County. Should the Agency, at any time, not maintain the insurance coverages required herein, the County may terminate the Agreement, or at its sole discretion may purchase such coverages necessary for the protection of the County and charge the Agency for such purchase. Should employees not named be utilized by Agency, the County, at its option may stop work without penalty to the county until proof of coverage or removal of the employee by the Agency occurs, or alternatively find the Agency to be in default and take such other protective measures as necessary.
