Topic Masks in County Buildings

BCC Agenda Date 1-25-2022

Your Stand on the Issue Support

Comments
Hello, I am a Pinellas County resident, as well as Pinellas County employee. I wanted to ask if there can be a requirement for masks in County buildings for staff and clients/customers. The COVID virus is still very real and taking lives daily. Regardless of if our area is showing low numbers or not, the fact that there are numbers at all should be enough to protect us on the front lines. Although myself and some others are wearing masks to protect themselves this virus is highly contagious and unpredictable. County employees have been seriously ill. We are on the front lines helping the community and would like to be protected so that we can protect and be present for our families. Thank you very much.
