I respectfully request the Board of County Commissioners let the current state of Emergency expire. Additionally, please resist Tampa Mayor Jane Castor's efforts to insert herself into our county business or partner with her or other local government entities for "regional" decisions regarding County Ordinance 20-14 ("mask mandate"). Lastly, I request immediate transparency in State of Emergency spending by the county administrator. The current state of emergency gives him tremendous spending latitude and the citizens are owed a simple explanation of how it has been spent.

Comments we separated from Hillsborough county many decades ago they should have nothing to say in how we govern Our residents. Tell Castor to zip it. We didnot elect her for anything. We are no longer in a Pandemic according to CDC so lose the Mask mandate so citizens can go back to their regular lives with out being shamed for not being able to wear a mask.
