(What is it, any issues found, is there a financial impact to current/next FY, does this contract vary from previous FY, etc.)			
This is for the approval of funding to Mattie Williams NFC for the purchase of food for food distribution activities at the Mattie Williams NFC, benefitting approximately 25,000 low- and moderate-income individuals. This is resulting from the County's Annual Action Plan for FY20, and funding related to Public Service Program activities that respond to COVID-19; Mattie Williams NFC is an eligible public service activity.			
The Agreement is effective for nine (9) months, from January 1, 2024, to September 30, 2024. The total amount of funding for this agreement is not to exceed \$50,000 during the effective period.			
The \$50,000 is included and consistent with the FY24 adopted budget, within the Housing & Community Development CDBG Fund.
