

CONSTRUCTION CHANGE ORDER NO. 1

PROJECT: Belleair Causeway Dock Facility Dock Reconstruction
CONTRACT NO: 156-0412-CP(DF)
AGREEMENT DATE: September 14, 2016
COMMENCEMENT DATE: November 18, 2016
OWNER: Pinellas County
CONTRACTOR: All American Concrete, Inc

REASON FOR CHANGE:

To provide additional funding, time extension, and to incorporate Federal requirements that pertain to Federal Emergency Management Agency (FEMA) reimbursement to replace five (5) docks which were destroyed and/or damaged as a result of Hurricane Irma.

The Director of Parks and Conversation resources has deemed the current condition of the docks a public safety concern in concert with Section 2-181 of County Code which authorizes the emergency purchase of services that disrupt essential operations or when there is a threat to public safety.

The original contract for dock replacement was awarded by the Board of County Commissioners on September 14, 2016 which included replacement of four (4) floating docks, two (2) of which sustained some damage due to Hurricane Irma on Sept 11, 2017. The Contractor has already performed the repairs to the two (2) new docks. In addition to the two (2) docks, five (5) of the existing docks that were not part of the replacement project were destroyed or severely damaged during Hurricane Irma as well. A field meeting was scheduled with FEMA representatives and County staff on January 31st, 2018 to discuss FEMA reimbursement for hurricane related damages. FEMA provided confirmation regarding reimbursement of repairs in March 2018. Subsequently, the County requested pricing from the Contractor for the additional Work. On April 4, 2018, the County received a confirmation letter from the Contractor stating they would honor their original contract bid prices to replace the five (5) original docks that were destroyed and/or severely damaged by Hurricane Irma. The Contractor has agreed to provide appropriate bonding and insurance for the additional Work.

This change order will result in a net increase of \$304,000.00 to replace the five (5) docks. Additionally, a time extension of five hundred and three (503) Calendar Days is necessary to account for time that has elapsed from the original contract end date of May 17, 2017, to a revised construction completion date of October 2, 2018.
