NOTICE OF AMENDMENT OF COUNTYWIDE PLAN MAP

Forward Pinellas, in its role as the Pinellas Planning Council, and the Board of County Commissioners acting pursuant to its Countywide Planning Authority (CPA), will conduct public hearings on proposed map amendments to the Countywide Plan Map, pursuant to the Countywide Plan, as amended, and as set forth in the listing below.

The Forward Pinellas public hearing will be held on Wednesday, September 12, 2018, at 1:00 P.M. or as soon thereafter as the agenda permits.

The CPA public hearing will be held on Tuesday, October 9, 2018, at 9:30 A.M.

Both public hearings will be held in the Board of County Commissioners Assembly Room, 5th Floor, Pinellas County Courthouse, 315 Court St., Clearwater, FL. Forward Pinellas will make a recommendation to the CPA on the proposed amendments, or to other plan categories as determined appropriate in accordance with Chapter 2012-245, Laws of Florida, as amended, and the Countywide Plan.

Listing of proposed Countywide Plan Map amendments to be heard by Forward Pinellas and the CPA:

Case CW 18-19 – Submitted by City of St. Petersburg – 1.5 acres m.o.l.

From: Residential Medium
To: Multimodal Corridor
Location: 5908 4th Street North

The current Residential Medium category is used to depict areas that are primarily well-suited for medium-density residential uses at a maximum density of 15 dwelling units per acre. The proposed Multimodal Corridor category is intended to recognize those corridors of critical importance to the movement of people and goods throughout the county and that are served by multiple modes of transport, including automobile, bus, bicycle, rail, and/or pedestrian. This category is intended to include those transportation corridors connecting Activity Centers, characterized by mixed-use development, and in particular, supported by and designed to facilitate transit.

Case CW 18-20 – Submitted by City of Clearwater – 0.4 acres m.o.l.

From: Activity Center
To: Activity Center
Location: 1000 Court Street

The current and proposed Activity Center category is used to recognize those areas of the county that have been identified and planned for in a special and detailed manner, serve as identifiable centers of business, public, and residential activity that are the focal point of a community, and are served by enhanced transit commensurate with the type, scale, and intensity of use.

The City of Clearwater proposes to amend the Clearwater Downtown Redevelopment Plan governing the Activity Center to change the local land use designation of a parcel from Commercial General to Central Business District, to be consistent with the remainder of the properties in the Prospect Lake Character District. The proposed amendment will allow a mix of uses at higher densities and intensities which will support infill development and the redevelopment of underutilized sites, provide opportunities for additional housing as well as commercial and mixed use development, and support a variety of transportation modes.

Case CW 18-21 – Submitted by City of Clearwater – 9.2 acres m.o.l.

From: Public/Semi-Public and Preservation
To: Residential Low Medium and Public/Semi-Public
Location: 3474 Aspen Trail, 3490 and 3492 Lake Shore Lane

The current Preservation category is intended to recognize natural resource features worthy of preservation and those areas of the county that are now used, or are appropriate to be used, for the conservation, production, and management of the regional potable water supply and the supporting infrastructure, consistent with the natural resources of the area. The current and proposed Residential Low Medium category is used to depict areas that are primarily well-suited for suburban, low density or moderately dense residential uses at a maximum density of 10 dwelling units per acre. The current and proposed Public/Semi-Public category is intended to recognize institutional and transportation/utility uses that serve the community or region, especially larger facilities having acreage exceeding the thresholds established in other plan categories, and which are consistent with the need, character, and scale of such uses relative to the surrounding uses, transportation facilities, and natural resource features.

The details of the proposed amendments are available at the Forward Pinellas office, 310 Court St., 2nd Floor, Clearwater, FL, 33756-5137. In addition, you may call Forward Pinellas at (727) 464-8250 or email your questions to rschatman@forwardpinellas.org. Interested parties are invited to attend the hearings to present facts or express views on the cases outlined in this advertisement.

The public is hereby advised that the effect of any proposed amendment may significantly impact the type and intensity of use of the subject property and may be of interest to neighboring property owners. Forward Pinellas will make an advisory recommendation to the CPA for approval, approval with modification or conditions, denial, denial with alternative recommendations, or continuance of the items. The recommendation by Forward Pinellas and the action of the CPA may amend the Countywide Plan Map from the existing plan category to the proposed plan category as referenced above for the amendment, or to another plan category as may be determined appropriate based on the public hearings and consistent with the Countywide Plan and procedures related thereto.

Persons are advised that, if they decide to appeal any decision made at this meeting/hearing, they will need a record of the proceedings and, for such purpose, they may need to ensure that a verbatim record of the proceedings is made, which record includes testimony and evidence upon which the appeal is to be based.
