State your background, including your education, work experience, civic or community organization memberships and positions, and any professional licenses or memberships, and explain how this applies to the function of the board, council or committee.

I have been a volunteer with Suncoast Sierra Group for the past 5 years, leading and participating in various efforts across Pinellas County. This includes engaging elected officials, Sustainability managers, and related staff at the county and municipal levels, community education and volunteering to help protect and improve our environment across Pinellas County. I also put special focus on reducing pollution and emissions, and lowering energy bills for non-profits, churches, and residents.
