NOTICE OF AMENDMENT OF COUNTYWIDE PLAN MAP

Forward Pinellas, in its role as the Pinellas Planning Council, and the Board of County Commissioners acting pursuant to its Countywide Planning Authority (CPA), will conduct public hearings on proposed map amendments to the Countywide Plan Map pursuant to the Countywide Plan, as amended, and as set forth in the listing below.

Case CW 18-01 - Submitted by Pinellas County - 0.3 acres m.u.a.
From: Residential Low Medium
To: Residential Low Medium
Location: Denville; East side of Pine St., 2007 north of Wilcox Rd.
The current Recreation/Open Space category is intended to recognize areas appropriate for public and private open spaces and recreational facilities that serve the community or region. The proposed Residential Low Medium category is used to depict areas that are primarily well-suited for suburban, low density or moderately dense residential uses at a maximum density of 10 dwelling units per acre.

Case CW 18-02 - Submitted by City of Safety Harbor - 7.8 acres m.u.a.
From: Residential Low Medium and Preservation
To: Public/Semi-Public and Preservation
Location: 4th Street Detention Plant (northwest corner of Pine St. and Dr. L.L. King, Jr. St.)
The current Residential Low Medium category is used to depict areas that are primarily well-suited for suburban, low density or moderately dense residential uses at a maximum density of 10 dwelling units per acre. The proposed Public/Semi-Public category is intended to recognize institutional and transportation/utility uses that serve the community or region, especially larger facilities having acreage exceeding the thresholds established in other plan categories, and which are consistent with the need, character, and scale of such uses relative to the surrounding uses, transportation facilities, and natural resource features. The current and proposed Preservation category is intended to recognize natural resource features worthy of preservation and those areas of the county that are now used, or are appropriate to be used, for the conservation, production and management of the regional potable water supply and the supporting infrastructure, consistent with the natural resources of the area.

Case CW 18-07 - Submitted by City of Clearwater - 0.4 acres m.u.a.
From: Residential Low Medium
To: Office
Location: 1524 South Highland Avenue
The current Residential Low Medium category is used to depict areas that are primarily well-suited for suburban, low density or moderately dense residential uses at a maximum density of 10 dwelling units per acre. The proposed Office category is used to depict areas that are developed or appropriate to be developed, with office uses, low-impact employment uses, and residential uses (subject to an acreage threshold), in areas characterized by a transition between residential and commercial uses and in areas well-suited for community-scale residential office mixed-use development.

Case CW 18-08 - Submitted by City of Clearwater - 0.1 acres m.u.a.
From: Office
To: Public/Semi-Public
Location: 729 Oakville Street
The current Office category is used to depict areas that are developed or appropriate to be developed, with office uses, low-impact employment uses, and residential uses (subject to an acreage threshold), in areas characterized by a transition between residential and commercial uses and in areas well-suited for community-scale residential office mixed-use development. The proposed Public/Semi-Public category is intended to recognize institutional and transportation/utility uses that serve the community or region, especially larger facilities having acreage exceeding the thresholds established in other plan categories, and which are consistent with the need, character, and scale of such uses relative to the surrounding uses, transportation facilities, and natural resource features.

Case CW 18-09 - Submitted by City of Clearwater - 7.4 acres m.u.a.
From: Recreation/Open Space
To: Public/Semi-Public
Location: 1800 Old Coachman Road
The current Recreation/Open Space category is intended to recognize areas appropriate for public and private open spaces and recreational facilities that serve the community or region. The proposed Public/Semi-Public category is intended to recognize institutional and transportation/utility uses that serve the community or region, especially larger facilities having acreage exceeding the thresholds established in other plan categories, and which are consistent with the need, character and scale of such uses relative to the surrounding uses, transportation facilities, and natural resource features.

Case CW 18-10 - Submitted by City of Clearwater - 1.1 acres m.u.a.
From: Residential High and Residential Low Medium
To: Office
Location: 1528 Lakewood Road
The current Residential High category is used to depict areas that are primarily well-suited for high-density residential uses at a maximum density of 20 dwelling units per acre. The current Residential Low Medium category is used to depict areas that are primarily well-suited for suburban, low density or moderately dense residential uses at a maximum density of 10 dwelling units per acre. The proposed Office category is used to depict areas that are developed or appropriate to be developed, with office uses, low-impact employment uses, and residential uses (subject to an acreage threshold), in areas characterized by a transition between residential and commercial uses and in areas well-suited for community-scale residential office mixed-use development.

Case CW 18-11 - Submitted by City of Dunedin - 2.4 acres m.u.a.
From: Residential Low Medium
To: Residential Medium
Location: 801 Main Street
The current Residential Low Medium category is used to depict areas that are primarily well-suited for suburban, low density or moderately dense residential uses at a maximum density of 10 dwelling units per acre. The proposed Residential Medium category is used to depict areas that are primarily well-suited for medium-density residential uses at a maximum density of 15 dwelling units per acre.

Case CW 18-12 - Submitted by City of Clearwater - 858.8 acres m.u.a.
From: Public/Semi-Public, Retail & Services, Residential Low Medium and Activity Center
To: Activity Center
Location: Generally located south of Palm Bluff Street, west of Highland Avenue, north of Dunbar Road, and east of Clearwater Harbor
The current Public/Semi-Public category is intended to recognize institutional and transportation/utility uses that serve the community or region, especially larger facilities having acreage exceeding the thresholds established in other plan categories, and which are consistent with the need, character and scale of such uses relative to the surrounding uses, transportation facilities, and natural resource features. The current Retail & Services category is used to depict areas developed with a mix of businesses that provide for the shopping and personal service needs of the community or region, provide for employment opportunities and accommodate target employment uses, and may include residential uses as part of the mix of uses. The current Residential Low Medium category is used to depict areas that are primarily well-suited for suburban, low density or moderately dense residential uses at a maximum density of 10 dwelling units per acre. The current and proposed Activity Center category is used to recognize those areas of the county that have been identified and planned for a special and detailed routine, serve as identifiable centers of business, public, and residential activity that are the focal point of a community, and are served by enhanced transit commensurate with the type, scale, and intensity of use.

- The City of Clearwater proposes to amend the Clearwater Downtown Redevelopment Plan by:
- Increasing the maximum permitted density of the Downtown Core character district from 70 to 75 dwelling units per acre (UPA);
 - Amending the O46 City character district:
