Subject: RE: Grants - New Intent to Apply Form Submitted - Air Pollution Control, Section 105

OMB has no objection to the department submitting a grant application to the US Environmental Protection Agency to obtain funding for continuing prevention and control of air pollution.

Requested funding is \$500,000 from the Air Pollution Control, Section 105 Program for a 2 year period. A County match is required and is provided through program costs (in-kind), \$1,951,370. Total maximum project cost is \$2,451,370. This is for the 1st and 2nd year of a ongoing five-year award cycle.

The Department Director can sign off on this application package. Please include this email when you send a copy of the completed submittal through Granicus. The completed application will be a delegated item to be placed on the County Administrator's Delegated Authority log.

If you have any questions, please do not hesitate to contact me or the Grants Center of Excellence.

OPUS Project Title: FY20 AQ EPA 105 Grant (to be set-up for new 5 to 7 year cycle)

Duration: Multi Year

Proposed Abstract (Project Scope of Work): The EPA Air Pollution Control Section 105 Grant Program is to assist in the planning, developing, establishing, improving and maintaining adequate programs for prevention and control of air pollution. This application is for a new two-year budget/project period award to support continuing local air quality program activities.

EPA Section 105 Grants are typically awarded/issued for a project and budget period of 5 years. This application is for the first and second year of the County's Section 105 Air Pollution Control Program project cycle, which includes costs from 10/01/19 through 9/3020. Funding request is for \$250,000.00 per project budget year for a total of \$500,000.00.

Public Works is seeking two-year grant funding in the amount of \$500,000.00 (\$250,000 per year). A match is required and estimated at \$1,951,370.00 over the two-year project period (\$965,570.00 for FY20 and \$985,800.00 for FY21). The grant is on a reimbursement basis. The source of the estimated total project costs of \$ 2,451,370.00 is the Environmental Management Division's Air Quality operating budgets for FY 20 and FY21.

Benefit Summary (How will this benefit the This program supports Pinellas County's Strategic Plan Goal 3.3 (Practice Superior Environmental Stewardship) to protect and improve the quality of our air. This program focuses on the core air protection objectives of attaining and maintaining

County, Dept, etc?): National Ambient Air Quality Standards (NAAQS), ambient monitoring, addressing air toxics, supporting compliance and enforcement efforts, and permitting air pollution sources.
