HRSA Electronic Handbooks (EHBs) Registration Requirements

The Project Director of the grant (listed on this NoA) and the Authorizing Official of the grantee organization are required to register (if not already registered) within HRSA's Electronic Handbooks (EHBs). Registration within HRSA EHBs is required only once for each user for each organization they represent. To complete the registration quickly and efficiently we recommend that you note the 10-digit grant number from box 4b of this NoA. After you have completed the initial registration steps (i.e., created an individual account and associated it with the correct grantee organization record), be sure to add this grant to your portfolio. This registration in HRSA EHBs is required for submission of noncompeting continuation applications. In addition, you can also use HRSA EHBs to perform other activities such as updating addresses, updating email addresses and submitting certain deliverables electronically. Visit <https://grants3.hrsa.gov/2010/WebEPSExternal/Interface/common/accesscontrol/login.aspx> to use the system. Additional help is available online and/or from the HRSA Call Center at 877-Go4-HRSA/877-464-4772.

Terms and Conditions

Failure to comply with the remarks, terms, conditions, or reporting requirements may result in a draw down restriction being placed on your Payment Management System account or denial of future funding.

Grant Specific Term(s)

1. The funds for this award are sub-accounted in the Payment Management System (PMS) and will be in a P type (sub accounted) account. This type of account allows recipients to specifically identify the individual grant for which they are drawing funds and will assist HRSA in monitoring the award. If your organization previously received a grant under this program, it was in a G type (cash pooled) account designated by a PMS Account Number ending in G or G1. Now that this grant is sub accounted the PMS Account Number will be changed to reflect either P or P1. For example, if the prior year grant was in payee account number 2AAG it will now be in 2AAP. Similarly, if the prior year grant was in payee account 2AAG1, the grant will be in payee account 2AAP1. The P sub account number and the sub account code (provided on page 1 of this Notice of Award) are both needed when requesting grant funds.
You may use your existing PMS username and password to check your organizations P account access. If you do not have access, complete a PMS Access Form (PMS/FFR Form) found at: <https://pms.psc.gov/grant-recipients/access-newuser.html> and send it to the fax number indicated on the bottom of the form. If you have any questions about accessing PMS, contact the PMS Liaison Accountant as identified at: <https://pms.psc.gov/find-pms-liaison-accountant.html>.
2. This Notice of Award is issued based on HRSA's approval of the Non-Competing Continuation (NCC) Progress Report. All post-award requests, such as significant budget revisions or a change in scope, must be submitted as a Prior Approval action via the Electronic Handbooks (EHBs) and approved by HRSA prior to implementation. Grantees under "Expanded Authority," as noted in the Remarks section of the Notice of Award, have different prior approval requirements. See "Prior-Approval Requirements" in the DHHS Grants Policy Statement:
<http://www.hrsa.gov/grants/hhsgrantspolicy.pdf>
3. This action approves the FY 2020 Budget Period Progress Report application and awards 3-month prorated support based on your target FY 2020 funding under the Health Center Program. Prorated funding is provided in this award due to the status of the FY 2020 Health Center Program appropriation. The balance of grant support for the FY 2020 budget period will be provided consistent with subsequent Congressional action on the FY 2020 Health Center Program appropriation.
4. This award includes pro-rated funding to support the increased access to integrated SUD and/or mental health services as part of the Fiscal Year 2018 Expanding Access to Quality Substance Use Disorder and Mental Health Services (SUD-MH).

Program Specific Term(s)

1. If federal funds have been used toward the costs of acquiring a building, including the costs of amortizing the principal of, or paying interest on mortgages, you must notify the HRSA Grants Management Contact listed on this Notice of Award (NoA) for assistance regarding Federal Interest in the property within 60 days of the issuance date of this NoA.
2. The non-federal share of the project budget includes all anticipated program income sources such as fees, premiums, third party reimbursements, and payments that are generated from the delivery of services, and from "other revenue sources" such as state, local, or other federal grants or contracts; private support; or income generated from fundraising or contributions. In accordance with Section 330(e)(5)(D) of the PHS Act, health centers may use their non-grant funds, either "as permitted" under section 330 or "for such other purposes ... not specifically prohibited" under section 330 if such use "furthers the objectives of the project."
3. Consistent with Departmental guidance, health centers that purchase, are reimbursed, or provide reimbursement to other entities for outpatient prescription drugs are expected to secure the best prices available for such products to maximize results for the health center and its patients. Eligible health care organizations/covered entities that enroll in the 340B Program must comply with all 340B Program requirements and will be subject to audit regarding 340B Program compliance. 340B Program requirements, including eligibility, can be found at www.hrsa.gov/opa.

4. The Uniform Data System (UDS) annual performance report is due in accordance with specific instructions from the Program Office. Failure to submit a complete UDS report by the specified deadline may result in additional conditions and/or restrictions being placed on your award, including the requirement that all drawdowns of Health Center Program award funds from the Payment Management System (PMS) have prior approval from the HRSA Division of Grants Management Operations (DGMO) and/or limits on eligibility to receive future supplemental funding.
5. This grant is governed by the post-award requirements cited in Subpart D-Post Federal Award Requirements, standards for program and fiscal management of 45 CFR Part 75 except when the Notice of Award indicates in the "Remarks" section that the grant is included under "Expanded Authority." These recipients may take the following action without prior approval of the Grant Management Officer:
Section 75.308 (d)(3) Carry forward unobligated balances to subsequent periods of performance: Except for funds restricted on a Notice of Award, recipients are authorized to carry over unobligated grant funds remaining at the end of that budget period up to 25% of the amount awarded for that budget period.
In all cases, the recipient must notify HRSA when it has elected to carry over unobligated balances (UOB) under Expanded Authority and indicate the amount to be carried over. This notification must be provided by the recipient under item 12, "Remarks," on the initial submission of the Federal Financial Report (FFR). In this section of the FFR, the recipient must also provide details regarding the source of the UOB for each type of funding received and to be carried over (e.g., the specific supplemental award(s), base operational funding). If the recipient wishes to carry over UOB in excess of 25% of the total amount awarded, the recipient must submit a prior approval request for carryover in the HRSA Electronic Handbooks (EHBs). Contact your Grants Management Specialist with any questions.
6. Health centers are reminded that separate Medicare enrollment applications must be submitted for each permanent site at which they provide services. This includes units considered both "permanent sites" and "seasonal sites" under their HRSA scope of project (see <https://bphc.hrsa.gov/programrequirements/scope.html> for more information). Therefore, a single health center organization may consist of two or more FQHCs, each of which must be separately enrolled in Medicare and submit bills using its unique Medicare billing number. In order to enroll in Medicare, first obtain a National Provider Identifier (NPI) (<https://nppes.cms.hhs.gov/#/>). You may enroll in Medicare electronically via the Medicare Provider Enrollment, Chain, and Ownership System (PECOS) available at <https://pecos.cms.hhs.gov>. PECOS automatically routes applications to the appropriate Medicare Administrative Contractor for review and approval. While HRSA encourages electronic application, you may alternatively choose to submit a paper application available at <http://www.cms.hhs.gov/cmsforms/downloads/cms855a.pdf>. To identify the address where the package should be mailed, refer to http://www.cms.hhs.gov/MedicareProviderSupEnroll/downloads/contact_list.pdf. The appropriate Medicare contractor is listed next to "Fiscal Intermediary."
The Medicare enrollment process is not applicable to the Medicaid program. State Medicaid Agencies use their own enrollment process. Contact your State Medicaid office to determine the process and timeline for becoming eligible for payment as an FQHC under Medicaid.
7. You are required to submit an annual Budget Period Progress Report (BPR) non-competing continuation (NCC) to report on progress made from the beginning of your most recent budget period until the date of NCC submission; the expected progress for the remainder of the budget period; and any projected changes for the following budget period. HRSA approval of an NCC is required for the release of each subsequent year of funding, dependent on Congressional appropriation, program compliance, organizational capacity, and a determination that continued funding would be in the best interest of the federal government. Failure to submit the NCC by the established deadline or submission of an incomplete or non-responsive progress report may result in a delay or a lapse in funding.
8. You must comply with all Health Center Program requirements. The Health Center Program Compliance Manual (<https://bphc.hrsa.gov/programrequirements/compliancemanual/index.html>) provides consolidated guidance for demonstrating compliance with Health Center Program requirements. The Compliance Manual also serves as the foundation for HRSA's compliance determinations and for health centers when responding to any subsequent Progressive Action condition(s) placed on a Notice of Award (NoA) or Notice of Look-Alike Designation (NLD) due to an identified area(s) of non-compliance. For additional information on the Progressive Action process, see Chapter 2: Health Center Program Oversight of the Compliance Manual. If you elect to respond to a condition by demonstrating compliance in a manner alternative to that specified in the Compliance Manual, the response must include an explanation and documentation of how this alternative explicitly demonstrates compliance with applicable Health Center Program requirements. All responses to conditions are subject to review and approval by HRSA.
9. Prior approval by HRSA is required for any significant change in the scope of project (e.g., sites or services) or the nature of approved project activities. Requests to change the approved scope of project must be submitted for prior approval via the HRSA Electronic Handbooks (EHBs) Change in Scope Module prior to implementation. See <http://www.bphc.hrsa.gov/programrequirements/scope.html> for more information.
10. Pursuant to existing law, and consistent with Executive Order 13535 (75 FR 15599), health centers are prohibited from using federal funds to provide abortion services (except in cases of rape or incest, or when the life of the woman would be endangered).
11. Your scope of project includes the approved service sites, services, providers, service area, and target population which are supported (wholly or in part) under your total approved health center budget. In addition, the scope of project serves as the basis for eligibility for

associated programs such as Medicare and Medicaid Federally Qualified Health Center (FQHC) reimbursements, Federal Tort Claims Act coverage, and 340B Drug Pricing. Proper documentation and maintenance of an accurate scope of project is critical in the oversight and management of programs funded or designated under section 330 of the PHS Act. You are responsible for maintaining the accuracy of your Health Center Program scope of project, including updating or requesting prior approval for significant changes to the scope of project when applicable. Refer to the Scope of Project policy documents and resources available at <http://www.bphc.hrsa.gov/programrequirements/scope.html> for details pertaining to changes to sites, services, providers, service area zip codes, and target population(s).

Standard Term(s)

1. Recipients must comply with all terms and conditions outlined in their grant award, including grant policy terms and conditions outlined in applicable Department of Health and Human Services (HHS) Grants Policy Statements, and requirements imposed by program statutes and regulations and HHS grant administration regulations, as applicable; as well as any requirements or limitations in any applicable appropriations acts.
2. All discretionary awards issued by HRSA on or after October 1, 2006, are subject to the HHS Grants Policy Statement (HHS GPS) unless otherwise noted in the Notice of Award (NoA). Parts I through III of the HHS GPS are currently available at <http://www.hrsa.gov/grants/hhsgrantspolicy.pdf>. Please note that the Terms and Conditions explicitly noted in the award and the HHS GPS are in effect.
3. "This [project/publication/program/website] [is/was] supported by the Health Resources and Services Administration (HRSA) of the U.S. Department of Health and Human Services (HHS) as part of an award totaling \$XX with xx percentage financed with non-governmental sources. The contents are those of the author(s) and do not necessarily represent the official views of, nor an endorsement, by HRSA, HHS or the U.S. Government."
Recipients are required to use this language when issuing statements, press releases, requests for proposals, bid solicitations, and other HRSA-supported publications and forums describing projects or programs funded in whole or in part with HRSA funding. Examples of HRSA-supported publications include, but are not limited to, manuals, toolkits, resource guides, case studies and issues briefs.
4. Recipients and sub-recipients of Federal funds are subject to the strictures of the Medicare and Medicaid anti-kickback statute (42 U.S.C. 1320a - 7b(b) and should be cognizant of the risk of criminal and administrative liability under this statute, specifically under 42 U.S.C. 1320 7b(b) Illegal remunerations which states, in part, that whoever knowingly and willfully: (A) Solicits or receives (or offers or pays) any remuneration (including kickback, bribe, or rebate) directly or indirectly, overtly or covertly, in cash or in kind, in return for referring (or to induce such person to refer) an individual to a person for the furnishing or arranging for the furnishing of any item or service, OR (B) In return for purchasing, leasing, ordering, or recommending purchasing, leasing, or ordering, or to purchase, lease, or order, any goods, facility, services, or itemFor which payment may be made in whole or in part under subchapter XIII of this chapter or a State health care program, shall be guilty of a felony and upon conviction thereof, shall be fined not more than \$25,000 or imprisoned for not more than five years, or both.
5. Items that require prior approval from the awarding office as indicated in 45 CFR Part 75 [Note: 75 (d) HRSA has not waived cost-related or administrative prior approvals for recipients unless specifically stated on this Notice of Award] or 45 CFR Part 75 must be submitted as a Prior Approval action via Electronic Handbooks (EHBs). Only responses to prior approval requests signed by the GMO are considered valid. Grantees who take action on the basis of responses from other officials do so at their own risk. Such responses will not be considered binding by or upon the HRSA.
In addition to the prior approval requirements identified in Part 75, HRSA requires grantees to seek prior approval for significant rebudgeting of project costs. Significant rebudgeting occurs when, under a grant where the Federal share exceeds \$100,000, cumulative transfers among direct cost budget categories for the current budget period exceed 25 percent of the total approved budget (inclusive of direct and indirect costs and Federal funds and required matching or cost sharing) for that budget period or \$250,000, whichever is less. For example, under a grant in which the Federal share for a budget period is \$200,000, if the total approved budget is \$300,000, cumulative changes within that budget period exceeding \$75,000 would require prior approval). For recipients subject to 45 CFR Part 75, this requirement is in lieu of that in 45 CFR 75 which permits an agency to require prior approval for specified cumulative transfers within a grantee's approved budget. [Note, even if a grantee's proposed rebudgeting of costs falls below the significant rebudgeting threshold identified above, grantees are still required to request prior approval, if some or all of the rebudgeting reflects either a change in scope, a proposed purchase of a unit of equipment exceeding \$25,000 (if not included in the approved application) or other prior approval action identified in Part 75 unless HRSA has specifically exempted the grantee from the requirement(s).]
6. Payments under this award will be made available through the DHHS Payment Management System (PMS). PMS is administered by the Division of Payment Management, Financial Management Services, Program Support Center, which will forward instructions for obtaining payments. Inquiries regarding payments should be directed to: ONE-DHHS Help Desk for PMS Support at 1-877-614-5533 or PMSSupport@psc.hhs.gov. For additional information please visit the Division of Payment Management Website at <https://pms.psc.gov/>.
7. The DHHS Inspector General maintains a toll-free hotline for receiving information concerning fraud, waste, or abuse under grants and

- cooperative agreements. Such reports are kept confidential and callers may decline to give their names if they choose to remain anonymous. Contact: Office of Inspector General, Department of Health and Human Services, Attention: HOTLINE, 330 Independence Avenue Southwest, Cohen Building, Room 5140, Washington, D. C. 20201, Email: Htips@os.dhhs.gov or Telephone: 1-800-447-8477 (1-800-HHS-TIPS).
8. Submit audits, if required, in accordance with 45 CFR Part 75, to: Federal Audit Clearinghouse Bureau of the Census 1201 East 10th Street Jefferson, IN 47132 PHONE: (310) 457-1551, (800) 253-0696 toll free <https://harvester.census.gov/facweb/default.aspx/>.
 9. EO 13166, August 11, 2000, requires recipients receiving Federal financial assistance to take steps to ensure that people with limited English proficiency can meaningfully access health and social services. A program of language assistance should provide for effective communication between the service provider and the person with limited English proficiency to facilitate participation in, and meaningful access to, services. The obligations of recipients are explained on the OCR website at [HHS Limited English Proficiency \(LEP\)](#).
 10. This award is subject to the requirements of Section 106 (g) of the Trafficking Victims Protection Act of 2000, as amended (22 U.S.C. 7104). For the full text of the award term, go to: <https://www.hrsa.gov/sites/default/files/hrsa/grants/manage/trafficking-in-persons.pdf>. If you are unable to access this link, please contact the Grants Management Specialist identified in this Notice of Award to obtain a copy of the Term.
 11. The Department of Defense and Labor, Health and Human Services, and Education Appropriations Act, 2019, Division H, § 202, (P.L. 115-245), enacted September 28, 2018, limits the salary amount that may be awarded and charged to HRSA grants and cooperative agreements to the Federal Executive Pay Scale Level II rate set at \$192,300, effective January, 2019. This amount reflects an individual's base salary exclusive of fringe benefits. An individual's institutional base salary is the annual compensation that the recipient organization pays an individual and excludes any income an individual may be permitted to earn outside the applicant organization duties. HRSA funds may not be used to pay a salary in excess of this rate. This salary limitation also applies to sub-recipients under a HRSA grant or cooperative agreement. The salary limitation does not apply to payments made to consultants under this award although, as with all costs, those payments must meet the test of reasonableness and be consistent with recipient's institutional policy. None of the awarded funds may be used to pay an individual's salary at a rate in excess of the salary limitation. Note: an individual's base salary, per se, is NOT constrained by the legislative provision for a limitation of salary. The rate limitation simply limits the amount that may be awarded and charged to HRSA grants and cooperative agreements.
 12. To serve persons most in need and to comply with Federal law, services must be widely accessible. Services must not discriminate on the basis of age, disability, sex, race, color, national origin or religion. The HHS Office for Civil Rights provides guidance to grant and cooperative agreement recipients on complying with civil rights laws that prohibit discrimination on these bases. Please see <http://www.hhs.gov/civil-rights/for-individuals/index.html>. HHS also provides specific guidance for recipients on meeting their legal obligation under Title VI of the Civil Rights Act of 1964, which prohibits discrimination on the basis of race, color or national origin in programs and activities that receive Federal financial assistance (P. L. 88-352, as amended and 45 CFR Part 75). In some instances a recipient's failure to provide language assistance services may have the effect of discriminating against persons on the basis of their national origin. Please see <http://www.hhs.gov/civil-rights/for-individuals/special-topics/limited-english-proficiency/index.html> to learn more about the Title VI requirement for grant and cooperative agreement recipients to take reasonable steps to provide meaningful access to their programs and activities by persons with limited English proficiency.
 13. Important Notice: The Central Contractor registry (CCR) has been replaced. The General Services Administration has moved the CCR to the System for Award Management (SAM) on July 30, 2012. To learn more about SAM please visit <https://www.sam.gov/SAM/>. It is incumbent that you, as the recipient, maintain the accuracy/currency of your information in the SAM at all times during which your entity has an active award or an application or plan under consideration by HRSA, unless your entity is exempt from this requirement under 2 CFR 25.110. Additionally, this term requires your entity to review and update the information at least annually after the initial registration, and more frequently if required by changes in your information. This requirement flows down to subrecipients. Note: SAM information must be updated at least every 12 months to remain active (for both grantees and sub-recipients). Grants.gov will reject submissions from applicants with expired registrations. It is advisable that you do not wait until the last minute to register in SAM or update your information. According to the SAM Quick Guide for Grantees (https://www.sam.gov/SAM/transcript/Quick_Guide_for_Grants_Registrations.pdf), an entity's registration will become active after 3-5 days. Therefore, check for active registration well before the application deadline.
 14. In any grant-related activity in which family, marital, or household considerations are, by statute or regulation, relevant for purposes of determining beneficiary eligibility or participation, grantees must treat same-sex spouses, marriages, and households on the same terms as opposite-sex spouses, marriages, and households, respectively. By "same-sex spouses," HHS means individuals of the same sex who have entered into marriages that are valid in the jurisdiction where performed, including any of the 50 states, the District of Columbia, or a U.S. territory or in a foreign country, regardless of whether or not the couple resides in a jurisdiction that recognizes same-sex marriage. By "same-sex marriages," HHS means marriages between two individuals validly entered into in the jurisdiction where performed, including any of the 50 states, the District of Columbia, or a U.S. territory or in a foreign country, regardless of whether or not the couple resides in a jurisdiction that recognizes same-sex marriage. By "marriage," HHS does not mean registered domestic partnerships, civil unions or similar formal relationships recognized under the law of the jurisdiction of celebration as something other than a marriage. This term

applies to all grant programs except block grants governed by 45 CFR part 96 or 45 CFR Part 98, or grant awards made under titles IV-A, XIX, and XXI of the Social Security Act; and grant programs with approved deviations.

15. §75.113 Mandatory disclosures.

Consistent with 45 CFR 75.113, applicants and non-federal entities must disclose, in a timely manner, in writing to the HHS awarding agency, with a copy to the HHS Office of Inspector General (OIG), all information related to violations of federal criminal law involving fraud, bribery, or gratuity violations potentially affecting the federal award. Sub recipients must disclose, in a timely manner, in writing to the prime recipient (pass through entity) and the HHS OIG, all information related to violations of federal criminal law involving fraud, bribery, or gratuity violations potentially affecting the federal award. Disclosures must be sent in writing to the awarding agency and to the HHS OIG at the following address:

Department of Health and Human Services

Fax: (202)205-0604 (Include: "mandatory Grant Disclosures" in subject line) or Email: MandatoryGranteeDisclosures@oig.hhs.gov

Failure to make required disclosures can result in any of the remedies described in 45 CFR 75.371. Remedies for noncompliance, including suspension or debarment (See 2 CFR parts 180 & 376 and 31 U.S.C. 3321). The recipient must include this mandatory disclosure requirement in all sub-awards and contracts under this award.

Non-Federal entities that have received a Federal award including the term and condition outlined in Appendix XII are required to report certain civil, criminal, or administrative proceedings to www.sam.gov. Failure to make required disclosures can result in any of the remedies described in §75.371, including suspension or debarment. (See also 2 CFR parts 180 and 376, and 31 U.S.C. 3321).

Recipient integrity and performance matters. If the total Federal share of the Federal award is more than \$500,000 over the period of performance, [Appendix XII to CFR Part 200](#) is applicable to this award.

Reporting Requirement(s)

1. Due Date: Annually (Calendar Year) Beginning: 01/01/2020 Ending: 12/31/2020, due 45 days after end of reporting period.

The Uniform Data System (UDS) is a core set of information appropriate for reviewing the operation and performance of health centers. The data help to identify trends over time, enabling HRSA to establish or expand targeted programs and identify effective services and interventions to improve the health of underserved communities and vulnerable populations. UDS data also inform Health Center programs, partners, and communities about the patients served by health centers. Health centers must report annually in the first quarter of the year. The UDS submission deadline is February 15 every year. Contact the UDS Support Line at 1-866-837-4357 or udshelp330@bphcdata.net for additional instructions or for questions. Reporting technical assistance can be found at <https://bphc.hrsa.gov/datareporting/index.html>.

2. Due Date: Annually (Budget Period) Beginning: Budget Start Date Ending: Budget End Date, due Quarter End Date after 90 days of reporting period.

The grantee must submit an annual Federal Financial Report (FFR). The report should reflect cumulative reporting within the project period and must be submitted using the Electronic Handbooks (EHBs). The FFR due dates have been aligned with the Payment Management System quarterly report due dates, and will be due 90, 120, or 150 days after the budget period end date. Please refer to the chart below for the specific due date for your FFR:

- Budget Period ends August – October: FFR due January 30
- Budget Period ends November – January: FFR due April 30
- Budget Period ends February – April: FFR due July 30
- Budget Period ends May – July: FFR due October 30

Failure to comply with these reporting requirements will result in deferral or additional restrictions of future funding decisions.
