Not one measure, Not one Real Effort to Protect or Conserve the remaining Vital water supply from Contamination. This government (still today) promotes the Commercial Use of Pesticides that Kills all the Good Things that live in the Soil. Further "Together" Poisoning our Ground Water with Fertilizers Allows/Creates..... Our Water Supply is becoming Carcinogenic!

Furthermore, This government still promotes the destruction of our God given wetlands for the manufacturing of Cypress Mulch. Knowing good and well that our Wetlands serve as the "liver" of the Earth. Our wetlands are vital to Water Filtration and Purification. Reducing our wetlands to Thistles is an Act of Abomination!

Even further, the Lack of Proper Recycling of our garbage has caused our landfills to be filled with more Contaminates than the World has ever Known! The Waste, this Government should have "Responsibly" Recycled and did NOT, will continue to Ruin our Water Supply for generations ~~yet to see this issue!~~

Coupled with The Direct Injecting of Reclaimed Water; Disposing of our fecal waste "Directly" into the Aquifer; And the long term nitrate burden associated with "Temporarily treated/Chlorinated Fecal Nitrates "AN-aerobically" introduced into our Aquifer bringing even further Ruin.....

Simultaneously, Aiding and Abetting a 3<sup>rd</sup> party "Eminent Domain" taking of civilian owned property using the Reclaimed Water "Variance" Application under statute 153.03(5), , staging us/setting-us-up on a Water Crisis that has and is still in the works; built-up on a Legislative Act of (FeeSimpleTitle) usurpituitious bulwark; Perniciously/Rebelliously taking Property, liberty and life of the Gentiles claimed as Process Due under the 14<sup>th</sup> Amendment, qualifies this government NOT as a government, but as an enemy, seen as an "actual" invading force here to Destroy the lives of our People, as written in the Declaration of Independence! Disqualifies all stakeholdings thru-out this government, both "therein" and "thereof"!

~~And, I shall have my Day in Court!~~

~~In hindsight, the Direct Injecting of toilet water into the aquifer shall be viewed as an Actual Act of Warfare conducted by fly-by-knight soldiers superpositioned in as our government. Slowly/Prudently, Totally, Lacking any Oath and Morality! Role playing! SubVersively Masking all legal/Rule making from Day 1, A union of infidels "falsely" labeling themselves in as the perfect government. Ultimately attempting to destroy us (Christianity) in the end of Hamilton's 1<sup>st</sup> Constitution.~~
