Greetings, esteemed Commissioners...please don't delay implementing distribution of medical marijuana in Pinellas County - which voters here clearly approved overwhelmingly 71% - 29% (as opposed to Trump 49% v. Clinton 48%).\* I know people with a variety of illnesses that would benefit who have been hoping and waiting for this remedy for many years. What if it was someone you love? Thank you for your time.

Jim,  
You logged the two in opposition to moratorium I sent you earlier, right?  
One was a voicemail, attached, Faith Alford; and the other I spoke with the woman, Jessie Forcan.

Jim,

We have received many more than 25. I will send them to your attention, under separate email.  
Also, Comm Gerard's office received 2 phone calls in opposition to moratorium: Faith Alford and Jessie Forcan. They are unable to attend the meeting.
