WHEREAS, Section 125.35(2), Florida Statutes, states when the board of county commissioners finds that a parcel of real property is of insufficient size and shape to be issued a building permit for any type of development to be constructed on the property or when the board of county commissioners finds that the value of a parcel of real property is \$15,000 or less, as determined by a fee appraiser designated by the board or as determined by the county property appraiser, and when, due to the size, shape, location, and value of the parcel, it is determined by the board that the parcel is of use only to one or more adjacent property owners, the board may effect a private sale of the parcel.
