PAYMENT TERMS FOR JOBS:

- o All prices given are cash prices.
- **Moving forward with Estimate:**
- 50% deposit is required to schedule your project. The remaining balance is due on the completion day of project. Payment can be given to the Electrician on site. If you choose to pay with a credit card, we offer through a 3rd. party and their fee is 2.75%. This is processed with our office.

- **If paying cash**, let the scheduler know in advance for deposit collection.
- **If a credit card** is desired to be used, call our office to make payment over the phone. The Third Party charges a fee of 2.75%. PCE does not profit at all from this.
- **If paying with check**, please call Sarah or Jamie for payment arrangements. We typically do not like "checks in the mail"

****All final payments are to made prior to any inspections. Once received the inspections will then be called in. All checks make payable to:**

Pinellas County Electric

For some jobs over \$2500, a NOC form may be required for permitting. Our staff can help you with this.

To approve project, select the blue link at the bottom of your email that says "Accept". Once this is done, we will be able to accept deposit and schedule your project

***We require 48 hours notice to cancel or change service appointments.**

TERMS AND EXCLUSIONS

PERMITTING: Many times home owners can pull their own permit and save money rather us pulling it. For that matter, PCE decided to now offer the advantage for homeowners to pull their own desired permits. PCE however will be glad to continue to pull them for an additional fee to cover our time and resources.

ESTIMATES: Good for up to 30 days

UNFORESEEN ISSUES:

We understand no one would like when things interfere with completing your job. We do our very best to identify anything that may be an issue. With that said, there are times that unforeseen issues come up, especially with older properties, older wiring, handyman repairs etc. We promise to always be forthright with you and let you know if we find anything so that you can better prepare yourself. We can not take responsibility for any pre existing wiring condition that was not not directly involving the work we were doing.

PATCHING & REPAIRS: Any access damage that could occur while trying to achieve your project is not covered repair unless there is a separate charge on your invoice describing such

HOURS OF OPERATION: Mon-Fri 8-AM - 4:30-PM
