RE: Award Amendment 06OHBIO00014-12-06 (formerly 2006-ST-091-000016-12)

Dear Director Cozzie:

As you know, DHS Grants and Financial Assistance Division (GFAD) recently implemented the GrantSolutions grants management system. Thus, your Biowatch supplemental funding in the amount of \$5,000 has been completed in the GrantSolutions system and the new award number is 06OHBIO00014-12-06. This award number is effective immediately and will be reflected on all future award actions as well. At the end of this number, the "-12" indicates the 12<sup>th</sup> year of this award and the "-06" indicates the 6<sup>th</sup> amendment.

During our initial set up of your award in the GrantSolutions system we had to complete several administrative actions and you may have received multiple notifications related to this activity. Please be advised that the Notice of Award attached to this letter represents the current status of the budget period to date activity for your award. Please disregard any prior notifications you may have received. We would like to thank you for your patience during this initial start-up period and apologize for any confusion created by multiple notifications you may have received as we completed the administrative set-up process. Now that the set-up process is complete, we do not anticipate any further erroneous notifications.

Please review carefully the attached Notice of Award. For the remainder of the period of performance for this award, both the new and former grant numbers should be referenced on any communication relating to this award. **For the purpose of accessing authorized funding in the Payment Management System (PMS), please continue to reference the former grant number as outlined above.**

Should you have any questions concerning this supplemental award or the GrantSolutions system, please contact me directly at [melanie.bales@hq.dhs.gov](mailto:melanie.bales@hq.dhs.gov).

Sincerely,

Melanie Bales

RE: Award Number 2006-ST-091-000016-12

Dear Mr. Cozzie:

Attached is the BioWatch continuation award. We removed the amount of \$2,000 for travel to the national workshop. Should the workshop occur within the next budget year, submit a request for supplemental funding.

Funding for this award utilizes \$111,500 in previously unspent funds. This unspent balance is now available for use in the current budget period for a total budget of \$173,000 (\$61,500 from FY17 funds and \$111,500 from previously obligated funds).

After receipt of the final FFR for the current year's award, we will consider negotiations regarding the amount of unspent funds.
