**EXHIBIT A**  
**CONTRACT PROVISIONS FOR CONTRACTS UNDER FEDERAL AWARDS**  
**FEDERAL AWARD NUMBER: 2018-MU-BX-0292**  
**GRANT TITLE: Edward Byrne Memorial Justice Assistance Grant - Countywide**

This solicitation is either fully or partially grant-funded. In addition to other terms and conditions required by Pinellas County and the applicable federal agency, all contracts awarded to the qualified bidder are subject to the following provisions, as applicable to the services provided.

**Equal Employment Opportunity:** Except as otherwise provided under 41 CFR Part 60, all contracts that meet the definition of “federally assisted construction contract” in 41 CFR Part 60-1.3 must include the equal opportunity clause provided under 41 CFR 60-1.4(b), in accordance with Executive Order 11246, “Equal Employment Opportunity” (30 FR 12319, 12935, 3 CFR Part, 1964-1965 Comp., p. 339), as amended by Executive Order 11375, “Amending Executive Order 11246 Relating to Equal Employment Opportunity,” and implementing regulations at 41 CFR part 60, “Office of Federal Contract Compliance Programs, Equal Employment Opportunity, Department of Labor.”

If this contract meets the definition of a “federally assisted construction contract”, during the performance of this contract, the Contractor agrees as follows:

- (1) The CONTRACTOR will not discriminate against any employee or applicant for employment because of race, color, religion, sex, sexual orientation, gender identity, or national origin. The CONTRACTOR will take affirmative action to ensure that applicants are employed, and that employees are treated during employment without regard to their race, color, religion, sex, sexual orientation, gender identity, or national origin. Such action shall include, but not be limited to the following: employment, upgrading, demotion, or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. The CONTRACTOR agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided setting forth the provisions of this nondiscrimination clause.
- (2) The CONTRACTOR will, in all solicitations or advertisements for employees placed by or on behalf of the Contractor, state that all qualified applicants will receive considerations for employment without regard to race, color, religion, sex, sexual orientation, gender identity, or national origin.
- (3) The CONTRACTOR will not discharge or in any other manner discriminate against any employee or applicant for employment because such employee or applicant has inquired about, discussed, or disclosed the compensation of the employee or applicant with another employee or applicant. This provision shall not apply to instances in which an employee who has access to the compensation information of other employees or applicants as a part of such employee's essential job functions discloses the compensation of such other employees or applicants to individuals who do not

otherwise have access to such information, unless such disclosure is in response to a formal complaint or charge, in furtherance of an investigation, proceeding, hearing, or action, including an investigation conducted by the employer, or is consistent with the contractor's legal duty to furnish information.

- (4) The CONTRACTOR will send to each labor union or representative of workers with which he has a collective bargaining agreement or other contract or understanding, a notice to be provided advising the said labor union or workers' representatives of the Contractor's commitments under this section, and shall post copies of the notice in conspicuous places available to employees and applicants for employment.
- (5) The CONTRACTOR will comply with all provisions of Executive Order 11246 of September 24, 1965, and with the rules, regulations, and relevant orders of the Secretary of Labor.
- (6) The CONTRACTOR will furnish all information and reports required by Executive Order 11246 of September 24, 1965, and by rules, regulations, and orders of the Secretary of Labor, or pursuant thereto, and will permit access to his books, records, and accounts by the administering agency and the Secretary of Labor for purposes of investigation to ascertain compliance with such rules, regulations, and orders.
- (7) In the event of the CONTRACTOR's noncompliance with the nondiscrimination clauses of this contract or with any of the said rules, regulations, or orders, this contract may be canceled, terminated, or suspended in whole or in part and the CONTRACTOR may be declared ineligible for further Government contracts or federally assisted construction contracts in accordance with procedures authorized in Executive Order 11246 of September 24, 1965, and such other sanctions may be imposed and remedies invoked as provided in Executive Order 11246 of September 24, 1965, or by rule, regulation, or order of the Secretary of Labor, or as otherwise provided by law.
- (8) The CONTRACTOR will include the portion of the sentence immediately preceding paragraph (1) and the provisions of paragraphs (1) through (7) in every subcontract unless exempted by rules, regulations, or orders of the Secretary of Labor issued pursuant to section 204 of Executive Order 11246 of September 24, 1965, so that such provisions will be binding upon each subcontractor or vendor. The CONTRACTOR will take such action with respect to any subcontract or purchase order as the administering agency may direct as a means of enforcing such provisions, including sanctions for noncompliance.

**Davis-Bacon Act** as amended (40 U.S.C. 3141-3148): When required by federal program legislation, for all prime construction contracts awarded in excess of \$2,000, Contractors are required to pay wages to laborers and mechanics at a rate not less than the prevailing wages specified in a wage determination made by the Secretary of Labor. In addition, Contractors must be required to pay wages not less than once a week. If the applicable grant award contains Davis-Bacon provisions, the County will place a copy of

the current prevailing wage determination issued by the Department of Labor in the solicitation document. The decision to award a contract shall be conditioned upon the acceptance of the wage determination [Appendix II to 2 CFR Part 200].

**Copeland Anti Kick Back Act:** If Davis-Bacon is applicable, CONTRACTOR shall also comply with all the requirements of 29 CFR Part 3 which are incorporated by reference to this contract. Contractors are prohibited from inducing by any means any person employed in the construction, completion or repair of public work to give up any part of the compensation to which he or she is otherwise entitled [Appendix II to 2 CFR Part 200].

**Contract Work Hours and Safety Standards Act (40 U.S.C. 3701-3708).** Where applicable, all contracts awarded by the non-Federal entity in excess of \$100,000 that involve the employment of mechanics or laborers must include a provision for compliance with 40 U.S.C. 3702 and 3704, as supplemented by Department of Labor regulations (29 CFR Part 5). Under 40 U.S.C. 3702 of the Act, each contractor must be required to compute the wages of every mechanic and laborer on the basis of a standard work week of 40 hours. Work in excess of the standard work week is permissible provided that the worker is compensated at a rate of not less than one and a half times the basic rate of pay for all hours worked in excess of 40 hours in the work week. The requirements of 40 U.S.C. 3704 are applicable to construction work and provide that no laborer or mechanic must be required to work in surroundings or under working conditions which are unsanitary, hazardous or dangerous. These requirements do not apply to the purchases of supplies or materials or articles ordinarily available on the open market, or contracts for transportation or transmission of intelligence [Appendix II to 2 CFR Part 200].

**Rights to Inventions Made Under a Contract or Agreement.** If the Federal award meets the definition of “funding agreement” under 37 CFR §401.2 (a) and the recipient or subrecipient wishes to enter into a contract with a small business firm or nonprofit organization regarding the substitution of parties, assignment or performance of experimental, developmental, or research work under that “funding agreement,” the recipient or subrecipient must comply with the requirements of 37 CFR Part 401, “Rights to Inventions Made by Nonprofit Organizations and Small Business Firms Under Government Grants, Contracts and Cooperative Agreements,” and any implementing regulations issued by the awarding agency [Appendix II to 2 CFR Part 200].

**Clean Air Act (42 U.S.C. 7401–7671q.) and the Federal Water Pollution Control Act (33 U.S.C. 1251–1387):** As amended—The CONTRACTOR agrees to comply with all applicable standards, orders or regulations issued pursuant to the Clean Air Act (42 U.S.C. 7401–7671q) and the Federal Water Pollution Control Act as amended (33 U.S.C. 1251–1387). Violations must be reported to the federal awarding agency and the Regional Office of the Environmental Protection Agency (EPA) [Appendix II to 2 CFR Part 200].

## Section 2: Project Overview

### General Project Information

**Project Title:** SUNCOAST - FORENSIC FOCUSED OUTREACH  
**Subgrant Recipient:** Pinellas County Board of Commissioners  
**Implementing Agency:** Pinellas County Human Services  
**Project Start Date:** 10/1/2019      **End Date:** 9/30/2020

### Problem Identification

In a study conducted by the Council of State Governments Justice Center, researchers found that rates of mental illness are three to five times higher among prisoners than it is in the general population. This prevalence contributes to higher rates of recidivism that fuel jail overcrowding, worsening mental/behavioral issues, and increasing costs to taxpayers. The 6th Judicial Circuit Public Defender estimates that it costs taxpayers \$125 per day to house an inmate. Factor in the need for medication, treatment and disruption of inmates with a mental illness and the cost is even higher.

Furthering these issues, mentally ill offenders often have difficulty meeting the requirements of the system both while incarcerated and after being released. Homelessness, mental health issues, substance use, and ineffective support systems in the community often result in an inability for individuals to comply with probation requirements. For these reasons, the days immediately following release are critical to establishing the connections to resources needed to succeed in the community.

Suncoast Center works closely with the Jail Diversion Program to engage individuals in need of services in a community setting in order to maintain treatment gains at no cost to the person served. The number of individuals needing access to this program continues to exceed available resources to provide the necessary services.

Pinellas County is currently unable to meet the financial burdens of funding Forensic Focused Outreach within general revenue. Pinellas County has no available funding that can be appropriated for this purpose.

This request is a continuation of project 2019-JAGC-PINE-4-N2-097, which was awarded for the project period 10/1/17-9/30/2019 in the amount of \$33,500. Suncoast Center continues to provide forensic focused outreach case management and therapy services to eligible individuals following release from incarceration. During the fourth quarter reporting period, a mother, formerly incarcerated for drugs, went through the program and is now allowed to live with her family and is working towards regaining custody of her children.

### Project Summary (Scope of Work)

Pinellas County will use grant funds to contract with Suncoast Center to maintain the collaborative effort with Pinellas County's Jail Diversion and End of Sentence Programs through Forensic Focused Outreach.

Deliverable: Pinellas County is requesting to subaward funds to the non-profit entity Suncoast Center, Inc. (DUNS #: 044198208) to provide psychiatric evaluations,

mental health management, screenings and assessment, individual counseling and therapy, and case management services to released offenders reentering society. Suncoast Center will be responsible for all treatment services and tracking of clients. Documentation of deliverables performed by Suncoast Center will be maintained by Pinellas County and made available upon request. Example documentation includes but is not limited to performance reports and/or billing documentation. A provider not fulfilling obligations to clients will not be reimbursed.

This provider was selected through a competitive funding request to Pinellas County Justice Coordination and was reviewed by the Substance Abuse Advisory Board (SAAB) Review Committee on May 8, 2019. The Review Committee's recommendations were approved by the full SAAB on May 10, 2019 and were approved by the Pinellas County Board of County Commissioners on July 23, 2019.

The Pinellas Board of County Commissioners (BOCC) has a recurring timeline set to accomplish its goals to serve 300 clients through the program and 30 of those clients to be funded through JAG. Therapy, case management and medication management, we strive to provide mental health and substance abuse education and prevent re-incarceration with the ongoing treatment. The major activities associated with reaching the goals as outlined are the identification of candidates in the target population and registration of those candidates followed by continued growth of the effectiveness of the program using effective and proven techniques.

All activities discussed in the scope of work or project deliverables are for the local government and implementing agency identified on this award unless noted otherwise.

Documentation of deliverables performed by the Panellas County and their local contractors/providers must be maintained by the subrecipient and made available for monitoring. Example documentation for and services include, but are not limited to client activity logs, participant sign in sheets, billing documentation, travel vouchers, proof of payment etc.

Documentation and minimum performance required for drawdown of funds includes the completion of at least one activity described in the scope of work above as attested to on the financial expenditure/claim report.

Pinellas County will request reimbursement of allowable costs identified on a quarterly basis.
