Pinellas County is proposing an amendment to the original Multiyear Implementation Plan (MIP) to fund the following four additional projects. Under Federal RESTORE Act grant provisions, the Draft MIP Amendment, including preliminary project scope and budget, must undergo a 45-day public comment period. Pinellas County's Division of Environmental Management will address or incorporate public comments in the amendment proposal. The Plan will be presented to the Pinellas County Board of County Commissioners as a resolution for approval. Environmental Management will then submit the MIP Amendment to the U.S. Treasury for approval which then allows the County to apply for planned project funding awards. The 45-day public comment period is open and will close on 3/11/2026. To review the proposed amendment and provide comment, visit Pinellas.gov/restore-act/restore-fund-projects/
