Your Stand on the Issue

Comments

Dear County Commission - We respectfully ask for your continued support of the Cross Bay Ferry Interlocal Agreement. We are concerned with the frame and context for which the recent staff report was created and while we certainly appreciate the care and stewardship of our taxpayer resources - we believe delaying, cancelling or postponing the signing of this agreement only serves to risk the recent FTA grants awarded and the very important regional relationships forged. Our Chamber believes in this form of transit as more than just a recreational joy ride and we believe the future of our workforce demands mass connectivity and we imagine a future where workforce and rays fans utilize waterborne ferry service. We sincerely understand and appreciate your care for ensuring our County is identified and treated as a genuine partner in this progress. We know how hard that is and we ask your patience and presence to craft a regional transportation network for all.

Subject	Cross Bay Ferry
Message	To the Pinellas County Comission, Please vote "No" on the issue of withdrawing from the Cross Bay Ferry Agreement. We live in St. Petersburg and use the ferry frequently. It is a great service that is an asset to both sides of the bay. If anything, please consider Pinellas County's support of expansion of the Service.
