Owners surrendering Animals shall be responsible for paying an intake fee, and should the Animal(s) not be current on vaccination required by the County, rabies vaccination fees shall also be paid by the Owner wishing to surrender his/her Animal(s). Owners wishing to surrender an Animal with the request for euthanasia shall be allowed to do so at the discretion of the Department. It is not the policy or practice of the Department to supply "on-demand" euthanasia procedures, but in the interest of relieving a suffering Animal, the Department may provide the service for a fee or at no charge, at its sole discretion. Notwithstanding the foregoing, such fees shall not apply to any Animal surrendered to the Department by Veterinarian or boarding Kennel, pursuant to F.S. § 705.19, as may be amended. No Owner-surrendered or stray Animals from outside the Department's jurisdiction shall be accepted except for humane reasons; such Animals shall be referred to another agency. The photo identification of the Owner/person wishing to surrender an Animal that shows an address outside of the Department's jurisdiction shall be used as the origin of the Animal. If an Animal is accepted for humane reasons from an Owner or person living outside of the Department's jurisdiction, a fee equal to the average cost(s) of all services provided shall be charged.

Sec. 14-49. - Adoption, Redemption and Disposition of Animals.

- (a) The disposition of all Animals, which have been impounded or rescued by the Department shall be determined in accordance with the provisions of this Article as provided below:
 - (1) Within the holding period, Animals may be redeemed by the Owner or his/her agent upon the payment of any fees or costs associated with the impoundment. If the Animal is a Dog or Cat which is unlicensed, it is necessary for the Owner to obtain a license before redeeming the Animal. Owners or agents of Dogs or Cats which have no positive identification shall be required to submit a statement of ownership in addition to obtaining a license and paying all associated fees and costs prior to the Animal being redeemed.
 - (2) If not redeemed within the holding period, disposition of Animals may be by humane euthanasia or offered for adoption to any qualified person, upon payment of the adoption fee and, if applicable, such other costs associated with the impoundment. Animals that appear to be severely diseased or injured and suffering, and those Animals medically determined to be suffering from a contagious or infectious disease that could constitute a

hazard to other Animals or humans may be euthanized at the discretion of the Director, or his or her designee, at any time.

- (3) All Dogs and Cats placed for adoption shall be vaccinated, licensed, and sterilized before custody is relinquished to the new Owner.
 - (4) Those Animals which have passed medical and behavior screening, but have not been adopted, may be offered to state chartered nonprofit humane organizations for the purpose of providing adoptions of such Animals. Fees and costs may be waived for the disposition of Animals in this manner.
- (b) The disposition of an Animal may not be to any medical school, college, university or person for experimentation or vivisection purposes, or to any person providing, selling, or supplying Animals to any medical school, college, university or person for experimentation or vivisection purposes.

Sec. 14-50. - Sterilization.

- (a) All Dogs and Cats adopted from the County shall be sterilized by a Veterinarian before adoption, except when a Veterinarian determines that sterilization would endanger the Animal's health due to its age, infirmity or illness.
- (b) A Dog which is impounded two (2) times within a twenty-four (24)-month period shall be sterilized before it may be redeemed for the second time, except when a Veterinarian determines that the sterilization would endanger the Animal's health due to its age, infirmity or illness.
- (c) For the purposes of controlling pet overpopulation and ensuring all Animals adopted from the County are sterilized in an expeditious manner, the County shall be considered the legal Owner of: all stray Dogs that remain in the shelter three (3) days after intake/impound (i.e., on the third day sterilization may take place) unless positive, traceable ownership may be indicated by a registered microchip, city tag or private id tag; and all stray Cats upon intake/impound unless positive, traceable ownership may be indicated by a registered microchip, city tag, other form of traceable permanent identification, or private identification tag. The County is hereby authorized to perform sterilization procedures on any Animal any time after it becomes County property. Such ownership provisions shall not affect the holding periods established in Sec. 14-48.

Secs. 14-51—14-60. - Reserved.

DIVISION 3. - DOGS AND CATS

Sec. 14-61. - Rabies Vaccinations and Licensing.

- (a) Every person possessing, harboring, keeping, or having control or custody of a Dog or Cat over the age of four (4) months within the County shall secure a County license from a Veterinarian or from the Department of Animal Services and, as a part of such license, shall show proof of a current rabies vaccination which shall have been administered by, or under the supervision of, a Veterinarian. Evidence of circulating rabies virus antibodies shall not be

used as a substitute for obtaining a license, current vaccination in managing rabies exposure or the need for a booster vaccination.

- (1) The duration of immunity of the vaccine shall be recognized in accordance with the current Compendium of Rabies Prevention and Control in Florida and F.S. § 828.30, as may be amended.
 - (2) Veterinarians or authorized entities shall distribute the County license tags and rabies vaccination certificates to Dog or Cat Owners according to the most recent procedure promulgated by the Department. Veterinarians and authorized entities must return required documentation related to licensure and rabies vaccination certificates to the Department within thirty (30) days.
 - (3) Licenses may be issued without the administration of a rabies vaccination provided a Veterinarian has examined the Dog or Cat and has certified in writing that a rabies vaccination could endanger its health because of infirmity, debility, illness, or other medical consideration. The Dog or Cat must be vaccinated as soon as its health improves sufficiently to tolerate the vaccine. An exemption that extends beyond twelve (12) months must be renewed annually through submission of a new exemption letter. No exemption letter shall be deemed valid after one (1) year from the date it was written.
 - (4) The certificate shall be approved and supplied by the Board of County Commissioners. The Department will establish, from time to time, an official tag for licensed Animals. No other license and rabies certificate or tag shall be valid in the County, except as otherwise provided under this Article. The certificate shall provide space for pertinent data for identification of the Animal. The license tag shall consist of a serially numbered piece of metal or other material bearing the same number as the certificate. All Dogs and Cats shall be required to wear a tag, except as otherwise provided under this section. The person to whom a Dog or Cat license has been issued shall cause the tag to be securely fastened by a substantial device about the Animal's neck so as to be clearly visible at all times. If a license tag is lost or destroyed, a duplicate shall be issued by the Department upon presentation of the certificate and upon payment of a fee as established by the Board of County Commissioners. In lieu of the tag, Owners of Cats may choose a breakaway collar or an alternate form of identification, as approved by the Department.
 - (5) Failure to comply with the provisions of subsections (a)(1) through (4) above or the current procedures promulgated by the Department may result in loss of licensing and tag issuing authority.
- (b) Licenses, either certificate or tag, shall not be transferable from one Dog or Cat to another.
 - (c) Licenses under this Article expire when the rabies vaccination expires. A license shall be renewed on or before the date of expiration.
 - (d) Those persons who relocate their Dogs or Cats, which are over the age of four (4) months, to the County shall secure a license within thirty (30) days of relocation.
 - (e) When ownership of a Dog or Cat is transferred from one party to another, the transferor shall report the change of ownership to the Department on such form as provided by the Department, whether such change is effectuated by sale, barter, gift, or otherwise, within thirty (30) days of such transfer. The new Owner shall maintain a record of the date of transfer, the

name and address of the transferor, and proof of previous vaccination and license. Such records shall be maintained by the new Owner for a minimum period of one (1) year from the date of transfer. All Owners of Dogs or Cats over (four) 4 months shall obtain a County license within thirty (30) days of the date that they became the Owner as defined in this Article.

- (f) Every person selling or transferring ownership of a Dog or Cat shall keep records of the most recent proof of vaccination, license, and, when applicable pursuant to F.S. ch. 828, as may be amended, certificate of veterinary inspection. The previous Owner shall maintain such records for a minimum period of one (1) year from the date of transfer. All Dogs and Cats offered for sale, and copies of vaccination or license records, or certificates of veterinary inspection, held by the seller and Veterinarian shall be subject to inspection by any Animal Control Code Enforcement Officer.
- (g) Every person owning, possessing, harboring, keeping or having control or custody of a Dog or a Cat shall keep records of proof of vaccination, license, and when applicable pursuant to F.S. ch. 828, as may be amended, certificates of veterinary inspection. Every person owning, possessing, harboring, keeping or having control or custody of a ferret, shall keep records of proof of vaccination.
- (h) The provisions of this section shall not apply to racing greyhounds.

Sec. 14-62. - Guard Dogs.

- (a) Registration.
 - (1) Guard Dog Owners or services shall register all Dogs used in their business, whether housed or used in the County, with the Department. The registration shall include: name, address and telephone number of the service's manager; the breed, sex, weight, age, color, registration number of the guard Dog, and other distinguishing physical features of the Dog; a County rabies vaccination and license certificate; and a tag that is highly visible and conspicuously different from ordinary Dog tags, as approved and supplied by the Department. As a condition to registration, proof of ownership must be presented by either a notarized bill of sale or a notarized affidavit.
 - (2) Guard Dogs which are newly acquired by guard Dog services shall be vaccinated against rabies, if needed, and registered with the Department within seventy-two (72) hours of acquisition.
 - (3) The fee for registration of a guard Dog with the Department shall be established by the Board of County Commissioners and shall be an annual charge for each individual Dog.
 - (4) Such registration shall not constitute a waiver of the annual license or other requirements of this Article.
- (b) Identification. Each guard Dog shall be permanently identified by microchip implantation.
- (c) Reporting Requirements. Any person possessing, harboring, keeping or having control or custody of a guard Dog shall immediately notify the Department when such guard Dog:
 - (1) Is loose or unconfined;
 - (2) Has bitten a human being or attacked another Animal; or

- (3) Is sold or given away, or dies. Prior to a guard Dog being sold or given away, the Owner shall provide the name, address and telephone number of the new Owner to the Department.
- (d) An inspection shall be required prior to any registration issuance or renewal. The renewal inspection period shall extend from sixty (60) days prior to the end of a current registration period until the last day of the current registration period. Notice of the renewal inspection period, including a description of the scope and criteria of the inspection, shall be provided no later than ten (10) days prior to a renewal inspection period, and any effort to seek review by a competent jurisdiction of the intended inspection must be initiated before the renewal period begins. The renewal inspection shall be unscheduled, and may be conducted at any reasonable hour by any Animal Control Code Enforcement Officer, who shall act in accordance with the renewal inspection period notice and at a minimum, shall be given access to and the opportunity to inspect and photograph the Animals, premises and records of the guard Dog Owner, to determine compliance with F.S. chs. 767 and 828, as may be amended, and this Article.
- (e) Unlawful Custody. It shall be unlawful for any person to own, harbor, keep, maintain, use or otherwise have custody of any guard Dog in the County which has not been vaccinated, registered, and microchipped as provided by this Article.
- (f) Transportation of Guard Dog.
 - (1) Any vehicle transporting a guard Dog must be clearly marked showing that it is transporting a registered guard Dog. A compartment separate from the driver is required which shall allow adequate ventilation for the Animal.
 - (2) No guard Dog shall be transported in the trunk of a car or on open-bed trucks.
 - (3) Guard Dogs must be muzzled and leashed, or maintained in a proper enclosure, as defined in this Article, when not on guard duty at a commercial establishment.
- (g) Requirements for Businesses Using Guard Dogs.
 - (1) Each business which hires or uses a guard Dog must provide proper fencing to keep the guard Dog from digging or jumping out, or must otherwise properly confine the Animal within a secure enclosure.
 - (2) At each appropriate location and entry point, and at fifty (50)-foot intervals along the fence perimeter, a sign shall be posted including the words "Guard Dog."
 - (3) Entry points shall have a sign posted with the telephone number of the Dog's trainer or handler in case of an emergency.

Sec. 14-63. - Dogs or Cats At-large.

- (a) No Dog or Cat shall run At-large within the County, as defined under this Article. Any person who possesses, harbors, keeps, or has control or custody of any Dog or Cat which is running At-large shall be in violation of this Article, regardless of the knowledge, intent or culpability of the Owner.

- (b) This section shall not apply to police Dogs as defined in F.S. § 843.19, as may be amended, when such Dogs are engaged by a law enforcement agency in an official capacity, or to any Dog which is actually engaged in or being trained for the sport of hunting during a legal hunting season within authorized areas and supervised by the Owner.
- (c) The Owner of any female Dog or Cat in heat (estrus) which is not kept confined in a secure enclosure, such as a building, veterinary hospital, boarding Kennel or closed Kennel, such that the female Dog or Cat cannot come in contact with any male Dog or Cat, except when the Owners of both Animals intend to breed such Animals, shall be deemed in violation of this Article. A fenced area is not sufficient enclosure for the purpose and intent of this subsection.

Sec. 14-64. - Dangerous Dogs.

- (a) The purpose of this section is to implement the provisions of F.S. ch. 767 Part II Dangerous Dogs, as may be amended, and the definitions and provisions of which are incorporated herein, as may be amended. Consistent with F.S. § 767.14, as may be amended, any additional, inconsistent, or conflicting provisions stated in this Code shall control to the extent they do not lessen the statutory provisions.
 - (1) Dangerous Dog investigations, determinations, classifications, and other actions, including related hearings and appeals, shall be conducted in accordance with the provisions of F.S. ch. 767 Part II Dangerous Dogs, as may be amended. Hearings, if requested, shall be conducted in accordance with F.S. ch. 767 Part II Dangerous Dogs, as may be amended, and Sec. 14-67 of this Code.
 - (2) The Owner shall be responsible for boarding fees, veterinary and other costs incurred by the County to maintain the Dog during such investigation, classification and appeals.
 - (3) Confinement of Dog Pending Investigation, Hearing and Appeal. Any Dog that is the subject of a Dangerous Dog investigation, that is not impounded with the Department, shall be maintained by the Owner in a Proper Enclosure of a Dangerous Dog. The Owner shall post the premises with clearly visible warning signs at all entry points that inform both children and adults of the presence of a Dangerous Dog on the property. Furthermore, it is unlawful for the Owner of the Dog to permit the Dog to be outside a Proper Enclosure of a Dangerous Dog unless the Dog is muzzled and restrained by a substantial chain or leash and under the control of a competent person over the age of eighteen (18). The muzzle shall be made in a manner that will not cause injury to the Dog or interfere with its vision or respiration, but shall prevent it from biting any person or Dog. When being transported, such Dogs shall be safely and securely restrained within a vehicle. The provisions of this section shall apply pending the outcome of the investigation and resolution of any hearing or appeals related to the Dangerous Dog classification. The address of where the Dog resides shall be provided to the Department. No Dog that is the subject of a Dangerous Dog investigation may be relocated or ownership transferred pending the outcome of the investigation or any hearings or appeals related to the determination of the Dangerous Dog classification.
 - (4) Failure to Securely Confine a Dog During Investigation. In the event that any Animal Control Code Enforcement Officer is investigating whether a Dog is or may be dangerous and has cause to believe that the Owner is unable or unwilling to securely confine the

Dog pending a final determination, the Animal Control Code Enforcement Officer may impound the Dog pending the investigation, or any hearing or appeals regarding the Dangerous Dog classification, if deemed necessary to protect the public. If the Dog is subsequently classified as dangerous by the animal control authority and such classification is appealed, it shall remain impounded pending final resolution.

- (5) Compliance with Dangerous Dog Requirements. The Owner of a Dog classified as a Dangerous Dog shall comply with all time frames and requirements provided by law.

(b) Dangerous Dog Requirements.

- (1) Registration. Any person who owns (or keeps, if that person is someone other than the Owner) a Dangerous Dog within the County must register the Dog as dangerous with the Department. Any person who brings a Dog into the County that has been declared dangerous by another jurisdiction, and who intends to reside in the County with such Dog, shall register the Dangerous Dog within fourteen (14) calendar days of establishing residency in the County. The fees for registration shall be as established by resolution.

- (2) Conditions Precedent to Registration. No Dangerous Dog may be registered with the Department unless and until all of the following requirements have been met:

- a. The Owner shall, at the Owner's expense, have the Dangerous Dog implanted with a Department-approved electronic Dog identification device (microchip), and shall provide the Department with the microchip manufacturer and number. The Owner may obtain microchips from the Department, if available, at the fee set by resolution. The microchip number will become the Dangerous Dog registration number.
- b. The Dog shall be spayed/neutered unless a Veterinarian has examined the Dog and certifies, in writing (with a copy provided to the Department within such fourteen (14)-day period), that at such time spaying/neutering the Dog would endanger its health. Under the circumstance, the Dog shall be spayed/neutered as soon as its health permits.
- c. The Owner shall display a sign on his or her property warning that there is a Dangerous Dog on the premises. Said sign shall be clearly visible from all entry points and inform both children and adults of the presence of a Dangerous Dog on the property. The sign shall read "Dangerous Animal" or "Beware of Animal."
- d. The Owner of a Dangerous Dog must have in place, on the property where the Dangerous Dog will be kept, the Proper Enclosure of a Dangerous Dog, if said property allows.
- e. The Owner of a Dangerous Dog must provide Department with two (2) color photos displaying full body, head and face of the Dog.
- f. The Owner shall provide evidence of a current Pinellas County license and rabies vaccination for the Dog.

- (c) Responsibilities of Dangerous Dog Owners. The Owner (or keeper, if other than Owner) of a Dangerous Dog shall:

- (1) Renew the Dangerous Dog registration annually.

- (2) Ensure that the Dog, while on the Owner's property, is securely confined indoors, or securely confined in a Proper Enclosure of a Dangerous Dog. At any time that a Dangerous Dog is not so confined, the Dog shall be muzzled and restrained in such a manner as to prevent it from biting or injuring any person or Dog, and kept on a substantial chain or leash by a person able to exercise control over the Dog. The muzzle must be made in a manner that will not cause injury to the Dog or interfere with its vision or respiration, but will prevent it from biting any person or Dog. However, the foregoing requirements of this subsection do not apply:
 - a. When the Dog is in attendance at and participating in any Dog show, contest, or exhibition not prohibited under F.S. § 828.122, as may be amended, and sponsored by a Dog club, association, society, or similar organization.
 - b. While the Dog is being transported within the cab or passenger portion of any motor vehicle, provided the vehicle has a roof, and the Dog cannot escape through an open window.
 - c. When the Owner is exercising the Dog in a securely fenced or enclosed area that does not have a top, provided that the Dog remains within the Owner's sight and only member of the immediately household or persons eighteen (18) years of age or older are allowed in the enclosed or fenced area when the Dog is present.
- (3) Notify the Department immediately if the Dangerous Dog becomes loose, unconfined, attacks, or bites a human being or another Dog, dies, is sold, or is given away. In the event of the Dog's death, the Owner shall provide to the Department satisfactory evidence (as determined by the Department) of the Dog's death. If the Dangerous Dog is sold or given away, the Owner shall provide to the Department the name, address, and telephone number of the new Owner of the Dangerous Dog. The new Owner shall, within fourteen (14) calendar days after receiving the Dog, execute a new document to be supplied by the Department, acknowledging that he or she is aware of the Dangerous Dog classification, and agreeing that the new Owner shall comply with all of the requirements of this Article.
- (4) Notify the Department immediately if the Owner believes that the Dangerous Dog has been stolen. The Owner must, concurrently with that notification, report the theft to the appropriate local law enforcement authority and provide the official police report to the Department.
- (5) Notify the Department immediately if the Owner moves to another address with the Dangerous Dog, which notification shall identify such address.
- (6) Have the Dangerous Dog destroyed in a humane manner at his or her sole expense by the Department or Veterinarian, if the Owner is unable or unwilling to comply with all applicable requirements and mandates contained in this Article.
- (d) Surrender of Dangerous Dog. The Owner of a Dangerous Dog must surrender the Dangerous Dog to the Department if the Owner is unable or unwilling to comply with the requirements of this Article.
- (e) Inapplicability to Law Enforcement Dogs. This Article shall not apply to Dogs owned and used by a law enforcement agency.

Sec. 14-65. - Reserved.

Sec. 14-66. - Reserved.

Sec. 14-67. - Hearings.

- (a) Hearing Officer. There is hereby created for the purposes of this Article the position of hearing officer. Said hearing officer shall be the director of the health department, or his/her designee, or alternatively a member in good standing of the Florida Bar.
- (b) Burden of Proof. The Department shall bear the burden of establishing that a Dog is dangerous by a preponderance of evidence. The Owner shall bear the burden of establishing any factual or legal defense to the classification of dangerousness by a preponderance of evidence.
- (c) Hearing Procedures. These procedures govern hearings before a hearing officer as provided in this Article. Such hearings shall provide an opportunity for the Owner to be heard. All hearings shall be conducted in accordance with the Florida Rules of Civil Procedure and the Florida Evidence Code, except as otherwise stated herein. However, the hearing shall be conducted in an informal manner to the extent practicable. Each party shall be afforded the following rights:
 - (1) To be accompanied, represented, and advised by counsel;
 - (2) To offer the testimony of witnesses and examine opposing witnesses on relevant matters; and
 - (3) To present his or her case by oral or documentary evidence.
- (d) Evidence.
 - (1) In any hearing before a hearing officer, irrelevant, immaterial, or unduly repetitious evidence shall be excluded. All other evidence of a type commonly relied upon by reasonably prudent persons in the conduct of their affairs shall be admissible, whether such evidence would be admissible in a trial in the courts of the state. Any part of the evidence may be received in written form, and all testimony of parties and witnesses shall be made under oath. Hearsay evidence may be used for the purpose of supplementing or explaining other evidence, but it shall not be sufficient in itself to support a finding unless it would be admissible over objection in civil actions.
 - (2) A party shall be permitted to conduct cross-examination when testimony is taken or documents are made a part of the record.
 - (3) The rules of privilege shall be effective to the same extent that they are recognized under state law.
- (e) Written Determinations of the Hearing Officer.
 - (1) After conducting a hearing, the hearing officer shall issue a determination within twenty (20) calendar days of the hearing.
 - (2) All determinations of the hearing officer shall be in writing, signed, and dated by the hearing officer, shall contain findings of fact and conclusions of law, and shall be served upon the Owner by registered mail, certified hand delivery (signed receipt), or service in

conformance with the provisions of F.S. ch. 48, as may be amended, relating to service of process.

- (f) **Obligation to Pay Hearing Officer's Fee; Deposit.** The non-prevailing party shall be responsible for paying the hearing officer's fee in full. When filing a written request for a hearing, the Owner shall provide a deposit in the amount established by resolution as security for payment of the hearing officer's fee. If the Owner prevails in the hearing, the deposit shall be returned in full. If the Owner does not prevail, and the hearing officer's fee exceeds the deposit, the Owner shall pay the difference within ten (10) business days after written demand is made by the hearing officer or Department. If the Owner does not prevail, and the deposit exceed the hearing officer's fee, the Department shall return the excess deposit to the Owner within ten (10) business days after paying the hearing officer's fee.
- (g) **Failure to Appear Before Hearing Officer.** Once a hearing is scheduled, failure to appear before the hearing officer may, at the discretion of the hearing officer, result in dismissal of the hearing with prejudice, in which case the initial classification by the Department shall stand and the Dog shall be classified as aggressive or dangerous.

Secs. 14-68 — 14-85. - Reserved.

Section 2. Severability.

In the event that any court having jurisdiction over any case arising under this section determines that any subsection or other provision of this section is invalid for any reason, the remaining subsections or other provisions shall continue to be in full force and effect, and towards that end the Board of County Commissioners declares this section and its subsections and other provisions to be severable.

Section 3. Effective Date.

Pursuant to Section 125.66(2), Florida Statutes, a certified copy of this Ordinance shall be filed with the Department of State by the Clerk of the Board of County Commissioners within ten (10) days after enactment by the Board of County Commissioners. This Ordinance shall become effective upon filing of the Ordinance with the Department of State.
